Purpose of the Annual Security and Fire Safety Report (ASFSR):

The Clery Act requires all colleges and universities across the country to publish an annual safety report by October 1st of each year. This report informs their respective campus community of Clery reportable crime statistics for the past three years and contains institutional policies and programs that pertain to sexual misconduct, safety and crime prevention. Doing so, informs the entire University of New Mexico (UNM) Main Campus community including current and prospective faculty, staff and students of what safety features UNM has to offer and what Clery Crime Statistics have been reported at UNM. The Annual Security and Fire Safety Report (ASFSR) is published and distributed by UNM via e-mail to all current faculty, staff and students each year, as part of the requirements of the Clery Act. The ASFSR can also be found on the UNM Main Web Page, via the campus safety link: http://campussafety.unm.edu/. The ASFSR is also available in print form from the Office of Equal Opportunity (OEO) 609 Buena Vista NE, Albuquerque, NM 87131, upon request.

The information in this report also includes UNM West. The 40,000 square foot building, located at 2600 College Blvd. NE, houses general-purpose classrooms, a computer lab, a common area, quiet study space and office space, including meeting areas for community groups. UNM West does not maintain any residential facilities nor does it have its own campus police.

For the purposes of the Clery Act, UNM West is considered a “Separate Campus” by the Department of Education because it meets the following:

- UNM owns or controls the site
- It is not reasonably geographically contiguous with the main campus
- It has an organized program of student; and
- There is at least one person on site acting in an administrative capacity

Preparing the ASFSR:

Each year the ASFSR for UNM Main Campus and UNM West is prepared by the Clery Act Compliance Officer, with the assistance of the UNM Police Department (UNMPD) and the Clery Committee for UNM Main Campus. Through the efforts of these individual entities, an annual review of the following is used to put together UNM’s ASFSR:

- A review of applicable policies that are required as part of the ASFSR;
- An inventory of crime prevention and educational programming efforts that are offered by UNM for the campus community;
- A review of the reporting avenues for the UNM Community to report crimes to at UNM.
- A reconciliation and review of the Crime and Fire Statistics that are required to be entered as part of the ASFSR;
- Additionally, the Clery Act Compliance Officer will keep updated with any new initiatives or compliance information to be placed in the ASFSR, as stated by the U.S. Department of Education.
The Crime Statistics that are included in this report are reported through one of the following areas for UNM Main Campus and UNM West:

- UNMPD (UNM Main Campus Only)
- Rio Rancho Police Department (UNM West Campus Only)
- Campus Security Authorities (CSAs) who handle the majority of conduct referrals at UNM, which include the UNM Hospital Security, UNM Residence Halls, ACC Properties and the Dean of Students Office.
  - CSA’s other than those mentioned above report crimes through the CSA Reporting form, which is found on the following after logging into your CSA Member Profile in the upper right of the following website: https://police.unm.edu/
- Campus Surveys are also sent on an annual basis to all CSAs and applicable local law enforcement officials (according to UNM’s Clery Geography), as determined by the Clery Act Compliance Officer, UNMPD and the Clery Committee. CSAs generally would include the following:
  - Any individual or individuals who have responsibility for campus security, but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).
  - Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
  - An official of an institution who has significant responsibility for student and campus activities, such as:
    - Dean of Students;
    - Director of Athletics, a team coach or a faculty advisor to a student group;
    - A student resident advisor or a professional staff member in the UNM Residence Halls;
    - A Coordinator of Greek Life of Student Activities Coordinators.

The intent of including non-law enforcement personnel as campus security authorities is to acknowledge that many people, students in particular, are hesitant about reporting crimes to the police, but may be more inclined to report incidents to other campus-affiliated individuals.

Examples of individuals who DO NOT meet the criteria for being campus security authorities include a faculty member who does not have any responsibility for student and campus activities beyond the classroom, clerical staff, custodians, maintenance personnel and cafeteria staff.

**Whom should UNM Community Members specifically report Clery Crimes to:**

It is preferred that UNM students who are the victim of, or witness to, any crime on the UNM Main Campus accurately and promptly report incidents to UNMPD (505-277-2241). Should the incident occur at UNM West, students should accurately and promptly report incidents to the Rio Rancho Police Department (505-891-7226). Whether you are on the UNM Main Campus or on the UNM West campus, you can also report to one of our Anonymous/Statistical Reporting Sites, which include:
• **LoboRespect Advocacy Center, the LGBTQ Resource Center and the Women’s Resource Center (WRC)** – These centers are designated advocacy and support sites for those students who have experienced all types of crimes or violence including sexual misconduct. Students who utilize these centers may talk with anonymity to individuals employed at these centers. However, these centers will report the nature, date of report and general location of the incident to the Clery Act Compliance Officer in the Office of Equal Opportunity.

It is **preferred** that UNM faculty and staff who are the victim of, or witness to, any crime on the UNM Main Campus to accurately and promptly report incidents to UNMPD (505-277-2241). Should the incident occur on the UNM Main Campus, to the Rio Rancho Police Department (505-891-7226) should the incident occur at UNM West. Whether on the UNM Main Campus or on the UNM West Campus, UNM faculty or staff can also report an incident to the:

• **Office of Equal Opportunity (OEO) (505-277-5251)** - All members of the UNM community including faculty, staff, students and visitors can report hate crimes, sexual misconduct, stalking, domestic violence, dating violence and other discrimination based incidents to any professional staff member with OEO.

However, UNM encourages accurate and prompt reporting of all crimes to campus police or appropriate police agencies when the victim of a crime elects to or is unable to make such a report. Here is a listing of all the agencies that individuals can report crimes to:

• **Global Education Office or National Student Exchange Office** – Students can report crimes to their exchange advisor or coordinator.
**Anonymous, Confidential and Voluntary Reporting:**

As part of our UNM process, we encourage all individuals to report crimes, however, when the victim or witness of a crime on the UNM Main Campus or UNM West Campus elects to or is unable to make such a report to the UNMPD or their respective law enforcement agency; but wants it included as a statistic in the ASFSR can voluntarily make a confidential report by using one of the following reporting avenues below:

**Anonymous, Confidential and Voluntary Reporting Sites (A person who reports a Clery crime to a counselor will not have that information shared beyond the counselor, unless there is a health and safety issue that legally permits sharing beyond a counselor):**

- **Student Health and Counseling (SHAC)** - Professional counselors with UNM’s SHAC are not CSAs, so that crime reports made to counselors by UNM students are not disclosed by the counselor to the UNMPD or the Clery Act Compliance Office for inclusion in the annual disclosure of crime statistics. However, professional counselors with SHAC are required, when informed about crimes involving students, to inform the student being counseled of the procedures for reporting crimes to law enforcement or for reporting crimes voluntarily and confidentially to a campus security authority office or to the Office of Equal Opportunity (OEO). Phone Number: (505) 277-3136 Website: [https://shac.unm.edu/counseling/index.html](https://shac.unm.edu/counseling/index.html)

- **Counseling and Referral Services (CARS)** – Professional counselors with UNM’s CARS are not CSAs, so that crime reports made to counselors by staff or faculty are not disclosed to the UNMPD for inclusion in the annual disclosure of crime statistics. Phone Number: (505) 272-6868 Website: [https://cars.unm.edu](https://cars.unm.edu)

**Anonymous, Confidential and Voluntary Statistical Reporting Only Sites (A person who voluntarily reports Clery crimes to one of the following areas, will only have de-identified information shared with the Clery Act Compliance Officer – meaning your name will not be reported, unless you would like it reported):**

The following centers are designated advocacy and support sites for those students who have experienced all types of crimes or violence including sexual misconduct. Students who utilize these centers may talk with anonymity to individuals employed at these centers. However, these centers will report the nature, date of report and general location of the incident to the Clery Act Compliance Officer in OEO.

- **LGBTQ Resource Center** – Phone Number: (505)277-5428 Website: [https://lgbtqrc.unm.edu](https://lgbtqrc.unm.edu)

- **Women’s Resource Center** – Phone Number (505)277-3716 Website: [https://women.unm.edu](https://women.unm.edu)

The following department is designated for faculty and staff who have experienced all types of crimes or violence, including sexual misconduct. Faculty and staff who utilize this department may talk with anonymity to individuals employed in this department. However, these centers will report the nature, date of report and general location of the incident to the Clery Act Compliance Officer OEO.

- **UNM Ombuds Office** – Ombuds Services supplements existing compliance and formal reporting channels by offering a place where faculty and staff can talk privately about building
communication and collaboration. They provide a variety of informal services to assist employees in preventing and/or resolving any workplace conflicts efficiently and effectively. They work with faculty and staff and their supervisors or coworkers. They listen respectfully and emphasize collaboration and fair consideration of all sides of an issue. Confidential and Voluntary On-Line or Telephone Reporting Sites (Should the information from one of the three on-line or telephone reporting sites have enough detail that it is a Clery reportable crime, then this de-identified information will be shared with the Clery Act Compliance):

- UNMPD’s Anonymous Tip or Incident Form by going to the following website: https://police.unm.edu/default.aspx?MenuItemID=155&%20MenuGroup=Public+Home
- UNMPD Phone Line – (505)277-2241 Individuals can make anonymous calls to this phone number, to report any type of crime
- Any member of the UNM community may also report an anonymous tip to the UNMPD through the LoboGuardian Application on their Smart Phone, by going to the following site and downloading the application: http://loboguardian.unm.edu/ Students will need to search and download the Rave Guardian in the Apple App Store or the Google Play Store. Users can find more assistance for downloading this application through the following site: https://unm.custhelp.com/app/answers/detail/a_id/7313/kw/7313

Reporting To and Overview of the UNM Police Department

The UNMPD is open 24 hours a day, 365 days a year to respond to your needs. All UNMPD officers are required to meet state certification standards mandated by the New Mexico Department of Public Safety. The UNM Board of Regents (Section 29-5-2 NMSA 1978) commissions UNMPD officers. They have full power of peace officers on campus, including the authority to enforce all applicable laws, ordinances and campus traffic regulations, and the authority to arrest. Officers are also cross-commissioned countywide by the Bernalillo County Sheriff. Commissioned county-wide means that UNMPD officers have jurisdiction in both on and off campus and throughout the entire Bernalillo County area, however UNMPD and Albuquerque Police Department have an agreement that the UNMPD patrol all UNM leased or owned property on the UNM main campus, while Albuquerque Police Department patrols other areas outside of the UNM Main Campus. The UNMPD has interoperable radio communications and can talk to police, fire and UNM Hospital during emergencies.

The UNMPD investigates complaints of on-campus criminal activity, working closely with the Bernalillo County Second Judicial District Attorney’s Office to ensure effective prosecution. UNMPD is cross-commissioned within Bernalillo County and enforces state laws and regulations in the fraternity/sorority and student housing areas. In addition, the UNMPD has written agreements with the Albuquerque Police Department and the Rio Rancho Police Department concerning law enforcement and criminal
investigations on city and state property. By statute, New Mexico State Police already has jurisdiction to enforce state laws and has arrest authority within the entire state of New Mexico, which includes the UNM Campuses.

UNMPD routinely works and communicates with the Albuquerque Police Department, the Bernalillo County Sheriff’s Office, the Rio Rancho Police Department, the Albuquerque Aviation Police Department, the New Mexico State Police, and a variety of federal agencies, both on-campus and in areas within close proximity to the campus. In fact, multiple police agencies routinely work large-scale special events, such as football games, on campus.

UNMPD encourages all faculty, staff and students who are the victim of, or witness to, any crime on the UNM Main Campus to accurately and promptly report all crimes to UNMPD or to the appropriate police agencies, when the victim or witness of a crime elects to or is unable to make such a report to the UNMPD. The UNM Community can also submit an anonymous tip to UNMPD through the following avenues:

- UNMPD’s Anonymous Tip or Incident Form by going to the following website: https://police.unm.edu/default.aspx?MenuItemID=155&%20MenuGroup=Public+Home
- UNMPD Phone Line – (505)277-2241 Individuals can make anonymous calls to this phone number, to report any type of crime

Any member of the UNM community may also report an anonymous tip to the UNMPD through the LoboGuardian Application on their Smart Phone, by going to the following site and downloading the application: http://loboguardian.unm.edu/ Students will need to search and download the Rave Guardian in the Apple App Store or the Google Play Store. Users can find more assistance for downloading this application through the following site: https://unm.custhelp.com/app/answers/detail/a_id/7313/kw/7313

In an emergency, you may dial 911 or 505-277-2241. The 911 system automatically traces the location of all calls, which enables officers to respond even when a caller cannot provide the location. When you dial 911 from a campus telephone, your call will be received by the UNMPD. If you use a cell phone to dial 911, the call will be received by Albuquerque Police Department, but will be transferred to UNMPD if you have an on campus emergency. Outside of the Albuquerque metro area, you will reach the appropriate law enforcement agency where the 911 system is utilized.

Special telephones providing emergency services for the deaf are placed at various locations on the UNM campus. UNMPS is equipped with a Telephone Device for the Deaf (TDD), (505) 277-0888 for 24-hour service.

Blue Light Emergency telephones, which are direct lines to the UNMPD Dispatch, are located throughout the UNM campus. You may use the emergency telephone by pressing the red button. The UNMPD Dispatcher will answer the telephone promptly, and you will be able to relate the nature of your emergency. Also, a blue light over the telephone will flash for the duration of the call to assist emergency personnel in locating the caller. We ask that you call (505) 277-2241 to report non-emergencies. Emergency telephones will not enable you to make calls other than directly to the Police Dispatcher as an EMERGENCY.

Crimes committed off the UNM Main Campus should be reported to the appropriate police agency (Albuquerque Police Department, Bernalillo County Sheriff’s Department, etc.). Under New Mexico law, the original entry police report must be made available for review upon request by a member of the public. Supplemental police reports detailing the investigation, and including the names of the accused,
and witnesses are not available for public inspection during the course of the police investigation. Following the closure of the police investigation, the UNMPD maintains confidentiality of the information in the supplemental police reports to the extent allowed by law.

**Daily Crime Log:**

UNMPD maintain a Daily Crime Log of all reported by crimes reported by CSA’s on the UNM Main Campus, which includes:

- Date and Time Crime Reported
- Incident Type
- Location of Incident
- Deposition

*The information in this log will not include any personal identifying information about the victim.*

This information is public information and can be found on the following website: https://police.unm.edu/default.aspx?MenuID=127&MenuGroup=Public+Home

**Campus Security Overview – UNM West**

The Sandoval Regional Medical Center security team is responsible for 24/7 patrol of the UNM West Building. Additionally, there are duress buttons located at appropriate locations for UNM West Staff to signal SRMC Security for assistance, if needed. The law enforcement agency that has arrest authority, jurisdiction and responds to UNM West is the Rio Rancho Police Department, which does differ from UNM Main Campus. UNMPD does not have arrest authority at UNM West. UNM West students get the same training on safety prevention, as UNM Main Campus students do.

**Off Campus Students and Student Organization Reporting of Crimes**

There are no known UNM Student organizations that operate, own or control any off-site facilities. However, there are a number of recognized student groups at UNM. It is possible at some point during the year; virtually all of the recognized student groups hold some type of meeting or event at an off-campus venue. Off-campus law enforcement, should it be needed, would fall to the police agency that has primary jurisdiction. In most cases, this would be the Albuquerque Police Department.

When a UNM student is involved in an off-campus offense, the law enforcement agency that has primary jurisdiction handles the case. UNMPD may assist with an off-campus investigation if asked to do so by the local, county, state or federal agency that has primary jurisdiction. The Albuquerque Police Department does not routinely notify UNMPD of incidents that involve students who live within Albuquerque Police Department’s jurisdiction.

UNM students live in off-campus apartments that are within close proximity to the campus. Albuquerque Police Department has primary jurisdiction in these areas. UNMPD responds to incidents that are close to the campus when requested to do so by the Albuquerque Police Department.
Emergency Notification Processes

UNM is required, as appropriate, to issue Emergency Notifications (Alerts) or Timely Warnings (Advisories) to comply with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998 (Clery Act). For more information, see UAP 2745 (“Clery Act Compliance”).

Emergency Notification (Lobo Alert)

Emergency Notifications (Alerts) notify the campus community, including UNM West, of any significant emergency or dangerous situation occurring on campus that involves an immediate threat to the health or safety of students or employees. If the UNMPD determines and verifies that a situation is an immediate threat to the health and safety of students or employees, it will notify the Executive Vice President for Administration (or designee). The Chief of Police (or designee) and the Executive Vice President for Administration will without delay decide if an emergency notification is warranted and will craft a message that takes into the account the safety of the UNM community and determine the content of the notification. This message will include safety precautions to take, where the problem exists and what areas to avoid to keep themselves safe. Once the message is determined, the Chief of Police (or designee) and/or the Executive Vice President for Administration will inform the Emergency Manager to initiate the Lobo Alerts System. This system includes a siren system to alert the campus of an emergency, a text alert sent out to all members of campus, who have not opted out of receiving the text via LoboAlerts. This will be followed up by an e-mail notification to all individuals who have an unm.edu e-mail address or members of the community who have signed up through the community site (as described below).

Once an emergency has been reported to the UNM Police Department, the on-call UNMPD Command Staff individual will make the determination to activate an Emergency Notification (Lobo Alert). The on-call individual may use the assistance of the University Communications and Marketing Department (UCAM) in creating the wording of the message for the UNM community. UNMPD in collaboration with first responders will make an assessment if only a segment (based on the range of the threat) of the campus needs to take action and that information will be included within the e-mail notification sent out to all individuals with at unm.edu e-mail address. The UNM Communications Director will notify, as appropriate, the local news media and inform the local community via UNM’s social media accounts.

UNMPD provides Emergency Notifications (Alerts) to the campus community via text messaging, email, UNM’s website, and, as appropriate, an audible siren system advising to shelter in place. UNM West will utilize the same process as UNM Main Campus to notify their respective campus of their emergency notifications, with the exception of the audible siren system. Emergencies should be reported to the UNMPD or the Rio Rancho Police for UNM West Students, by calling 911.

Some examples of Emergency Notifications (Alerts) are:

- Approaching extreme weather
- Hostile Threat
- Bomb threat
- Explosion, fire, or gas leak
- Serious health-related outbreak
- Riot
- Terrorist incident
Emergency Drills, Testing and Evacuation Procedures:

Emergency Management at the University of New Mexico and UNM West

UNM’s Office of Emergency Management assists departments and campuses with developing, maintaining, and implementing emergency operations plans, developing and conducting exercises, hazard and risk education, and building partnerships with external response agencies. The Office of Emergency Management is responsible for assisting with and coordinating the University’s overarching mitigation, preparedness, response, and recovery programs.

Each campus within the UNM system maintains an emergency management program. Within the context of these programs, each campus develops and distributes emergency response procedures to students and employees. These procedures are maintained and distributed in a variety of ways. Some campuses post the information in hallways and classrooms; others have this information available on their website. Pamphlets and brochures with emergency response information are available both UNM main campus and UNM West through the campus’s security or police department.

Drills, Exercises, and Training

To ensure the campus’s emergency management plans remain current and actionable, the campuses conduct at least one exercise annually. These exercises include, but are not limited to tabletops, drills, functional, or full-scale. The campuses conduct after-action reviews of all emergency management exercises. The Office of Emergency Management works with each campus location to develop exercises scenarios and schedules and coordinates these events with local, state, and federal response agencies as well as stakeholders.

In conjunction with at least one emergency management exercise each year, the campus will notify the appropriate campus community of the exercise and remind the community of the University’s LoboAlert System and emergency response procedures.

Testing of the Emergency Notification (Alert) process occurs periodically, as follows:

- The UNM siren system, email, text, social media and UNM webpages will be tested once every semester to test functionality.
- UNM will conduct an emergency exercise once every four years using alternating locations across campus, which will include first responders who would typically respond to emergencies.
- UNM will conduct tabletop exercises of emergency responses every year, with the exception of the year that the live exercise is implemented.
- UNM will evaluate these exercises upon their completion to understand their effectiveness and evaluate the goals of each test.

Enrollment for Lobo Alerts:

All faculty, staff and students are automatically opted into Lobo Alerts. If a student did not provide a cell phone number on their application or changes their cell phone number and would like to receive the text message alerts, they can update their information by going to https://loboalerts.unm.edu/

Community members can sign up for Lobo Alerts by going to https://www.getrave.com/login/unmcommunity
Timely Warning Processes

When a Clery Act crime is committed within UNM’s Clery geography, including UNM West, and the situation poses a serious or continuing threat, the Emergency Manager or UNMPD will issue a Timely Warning (Advisory) to promote safety and aid in the prevention of similar crimes on campus. The Timely Warning (Advisory) should include appropriate information as soon as it becomes available, such as location, crime, description of subject (if known), and any other pertinent details. Additional updates may be issued as the situation evolves.

To require a Clery Act Timely Warning (Advisory), an incident must:

- Involve a Clery Act crime;
- Occur within the Clery Geography, which includes:
  - On-campus (buildings on the UNM Main Campus);
  - Non-campus (buildings not reasonably contiguous to the UNM Main Campus, but are leased or owned by UNM); and,
  - Public property (public property that is immediately adjacent to the UNM Main Campus).
- Be reported to a campus security authority or local police authority; and,
- Represent a serious or continuing threat to the students and employees on campus. An example would be that the alleged suspect(s) of a Clery related a crime who may still be on campus and has not been apprehended, could potentially pose a serious and continued threat to UNM.

The determination of a “serious or continuing threat” is made by the on-call Command Staff individual at the UNM Police Department. Once the determination of a serious and continued threat has been made, the on-call Command Staff individual will activate the Timely Warning (Lobo Advisory) and may use the assistance of UCAM in crafting the wording of the message for the UNM community.

A decision as to whether to issue a timely warning and to what segment of the UNM community to advise, will be made on a case-by-case basis in light of all the facts surrounding a crime, including:

- The location of the crime
- The seriousness or violent nature of the crime
- Whether there is still a continued threat to the UNM community
- The nature of the threat, whether it is a general or specified threat

The Timely Warning will be sent out via the UNM Lobo Alert system, which includes an initial text alert sent out to all members of campus, who have not opted out of receiving the text, followed up by an e-mail notification to all individuals who have a unm.edu e-mail address or members of the community who have signed up through the community site. The UNM Communications Director will notify, as appropriate, the local news media and social media to inform the community outside of UNM.

A Timely Warning (Advisory) might not be issued if it could compromise the apprehension of a suspect.

Emergency and Timely Warning Communication Avenues
UNM will use the following methods for providing Emergency Notification (Alert) and Timely Warning (Advisory) notices:

- **UNM E-Mail**: To provide faculty, staff, and students with Emergency Notifications (Alerts) and Timely Warnings (Advisories)
- **UNM Web Page**: To provide information about Emergency Notifications (Alerts) and Timely Warnings (Advisories)

**Security and Access to the UNM Main Campus:**

We strive to make our campus safe by limiting access to buildings after hours. Classroom and other nonresidential buildings on campus are generally open during regular business hours, when class is in session and for special events. Access to these buildings afterhours is only granted to those with key or card access to the respective building. Persons authorized to remain in the building after closing time are required to have proper identification at all times. Police and security personnel conduct frequent internal and external checks of all buildings on campus.

The UNM Residence Halls (Alvarado, Coronado, Hokona, Laguna/DeVargas, Lobo Rainforest, Redondo Village Apartment and Santa Clara) and the American Campus Community Residence Hall (Casa Del Rio) have key fob access to their respective residence halls. The UNM Residence Hall (Student Residence Center Apartments –SRC) has key access to their perimeter doors, with key fob access to their individual rooms. Additionally, the UNM Residence Halls have student security staff, who monitor the perimeter doors of the residence halls and the parking lot areas of the residence halls. The student
security staff are also in direct radio contact with the UNMPD. Student security staff are also available to escorts students within the residence hall area of campus.

Access the UNM’s American Campus Communities Residence Hall (Lobo Village) is done through an access gate for vehicles and key fob access for residents apartments. Lobo Village uses a third party security company where they have security in place at the gate and roaming security from 10 p.m. to 6 a.m.

Entry to Student Family Housing is controlled by code access through an electronic gate. Security guards are on duty during the evening hours to protect the safety and security of the complex and residents. Apartments are accessed via key access to each unit.

UNM maintains seven residence hall complexes on campus. Residence Hall perimeter doors are secured and entry is controlled by key fob access or by keys. Each complex has evening on-duty staff to respond to resident needs and the Student Residence Center (SRC) Desk is open 24 hours, seven days a week and serves as a service and emergency contact point for residents.

Resident Advisors are available in each unit to assist students. Students living in the residence halls are briefed on UNM Residence Hall policies, fire safety information and on crime prevention techniques at orientation/floor meeting held for residents at the start of each semester. Further information may be obtained from the Residence Hall Handbook:

UNM is concerned about the safety/security considerations and maintenance of their campus facilities. Each fall semester UNM performs a Safety Walk, where students, faculty and staff members evaluate the lighting and other safety hazards around the UNM Main Campus. Results of this walk are submitted to the appropriate offices on our campus, so that these offices can work to rectify the issue.

Key UNM personnel, including UNMPD are represented on committees that plan new buildings and the security utilized in the planning of those buildings for both UNM Main and UNM West. The UNM Facilities Management Department routinely evaluates the maintenance and safety of its buildings periodically throughout the year. Additionally, the UNM Facilities Management Department will respond to safety and security hazards, such as broken windows or lighting concerns. To make a service request, UNM faculty, staff or students can make this request by submitting the request to:

https://iservicedesk.unm.edu/home.html

**Security and Access of Campus Facilities to UNM West**

UNM West is open to students and guests between 8 a.m. and 9:30 p.m. Monday-Friday, and is closed on Saturdays and Sundays. Building hours occasionally vary and are based on the course schedule for the current term.

A student who experiences sexual violence or misconduct on the UNM West Campus or off-campus in Rio Rancho should contact the Rio Rancho Police Department at (505) 891-7226. If it is an emergency, dial 911. UNM West strongly encourages individuals who have experienced sexual violence or misconduct to report the incident to law enforcement. Students may contact the UNM Main Campus Office of Equal Opportunity at (555) 277-5251 to report an assault for administrative action or for assistance in contacting law enforcement authorities in order to report an assault.
A student seeking assistance with changes to their academic situation due to experiencing sexual violence or misconduct should contact the UNM Dean of Students Office at (505)277-3361. The UNM Dean of Students Office is also responsible for administering the Student and Visitor Codes of Conduct.

**Procedures to follow if a crime of Sexual Assault, Domestic Violence, Dating Violence or Stalking (Sexual Misconduct) has occurred**

The following information can be obtained in writing from the LoboRESPECT Advocacy Center and through the UNM Sexual Misconduct and Assault Response Team (Sexual Misconduct and Response Team - SMART Brochure). Additionally, the LoboRESPECT Advocacy Center will assist students through these processes, should they wish to have the assistance.

**First Steps to Consider:**

- **Get to a safe place**
- **Preserve all physical evidence of the assault, even if you are unsure whether you want to report the crime.**
  - Don't shower or wash clothing
  - Save all text messages, emails, social media postings (taking screenshots can be helpful) or anything else that might relate to the assault, or that might be helpful later in reconstructing a timeline of events.
  - Write down the names of people who might have seen you immediately before or after, as it is easy to forget names or locations.
  - Even if you do not want to participate in the investigative process now, you might later change your mind, so it is helpful to preserve as much information as possible. This also may be helpful in obtaining a restraining order.

- **Obtain a forensic exam**
  - UNMPD or the local police authority can provide transportation-even if you do not want to file a police report!

- **Go to a nearby hospital or medical center for medical attention**
- **Call a trusted friend, family member or someone else who can provide emotional support.**
- **Contact a resource center to help you navigate your options**
- **Contact a University Survivor Advocate**

*For help 24 hours a day, contact the LoboRESPECT Advocacy Center | (505) 277-2911*

**Getting Medical Attention:**

- **Albuquerque Sexual Assault Nurse Examiner (SANE)**
  - Off Campus. Located at 625 Silver Ave SW
  - 505.884.SANE (7263) (24-hr dispatch)
  - 24-hour free medical and forensic exams by trained nurses; emergency contraception; treatment for sexually transmitted infection; evidence collection; forensic photography; follow-up services. UNMPD can provide transportation-even if you do not want to file a police report! **SANE may be able to collect evidence within 5 days of an assault.**
**Reporting the Sexual Misconduct (Including Dating Violence, Domestic Violence and Stalking)**

Although the university strongly encourages all members of the community (faculty, staff and students) to immediately report sexual misconduct to law enforcement, you have a choice to make such a report, or you can decline to involve the police. Whether or not anonymity is requested, information about sexual violence and misconduct will be treated privately and *only* be shared on a need-to-know basis, and as authorized under University policy and applicable federal and state law. However, should you wish to report an incident of Sexual Misconduct, you can review the following chart.

**Protective and Supportive Measures:**

There is detailed information that a person can find by going to the LoboRESPECT Advocacy Center, which is located at [LoboRESPECT Advocacy Center](#), the supportive measures handout can be found at
https://loborespect.unm.edu/support/supportive-measures.pdf Please see appendix A for UNM’s Protective and Supportive Measure information for students.

**Faculty, Student and Staff Supportive Measures**

Supportive measures, including accommodations, will be provided in writing to the complainant, regardless as to whether the complainant chooses to report the crime to UNMPD or the local law enforcement or otherwise make a report to the University (OEO or Dean of Students). UNM will also maintain as confidential, any accommodations or supportive measures provided to the complainant, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide accommodations or supportive measures. As a matter of practice, the advocacy centers or Office of Equal Opportunity will provide written notification via e-mail to students and employees about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available to parties bringing forward a concern and to respondents, both within and outside the UNM community.

The LoboRESPECT Advocacy Center, with the assistance of Dean of Students Office and guidance from the Title IX Coordinator has the authority to implement interim safety measures for students, as an administrative investigation is underway to ensure the safety of the campus community as a whole. The LoboRESPECT Office and the Dean of Students Office will determine the necessity for and scope of any Interim Safety Measure prior to the completion of the University’s investigation. During Interim Safety Measures, the University will do its best to continue to allow involved students to obtain access to their education with as minimal interference as possible. Supportive measures are designed to protect the educational experience and safety of all involved, as well as the greater UNM Community. UNM will maintain the confidentiality of these supportive measures, as required by law. Protective and supportive measures may be temporary or permanent in nature.

Such measures may include:

UNM will take the appropriate course of action based on the incident in question and will handle this incident in a prompt, fair and impartial manner from the initial investigation until the conclusion of the appeals process. The preponderance of evidence standard will be utilized to decide the outcome of all administrative cases against faculty, staff and students. The investigators in OEO, who investigate cases of sexual misconduct (including, sexual harassment, sexual violence, domestic violence, dating violence and stalking) are trained annually specifically in investigating Title IX matters. Those whom sanction individuals for cases of sexual misconduct (including, sexual harassment, sexual violence, domestic violence, dating violence and stalking) are trained annually specifically in sanctioning Title IX matters. These trainings include in-person workshops, facilitated presentations and webinars, which cover proper techniques for questioning witnesses, evaluating evidence and basic rules for conducting investigations.
Through their investigation, if OEO makes a determination they will then provide the information to the appropriate areas who then handle the disciplinary/sanctioning phase of this process. UNM Main Campus and UNM West have the following disciplinary/sanctioning procedures for handling, all potential policy violations and crimes of violence (including, sexual harassment, domestic violence, dating violence and stalking) for faculty, staff, students and visitors, which are as follows and described in more detail below:

- Faculty found responsible by OEO, will be referred to the UNM Provost Office
- Staff found responsible by OEO, will be referred to the Human Resources Department
- Students found responsible by OEO, will be referred to the Dean of Students Office

**FACULTY DISCIPLINARY PROCESS (This process is for all faculty misconduct, including allegations of Sexual Misconduct, including Sexual Assault, Dating/Domestic Violence and Stalking)**

Faculty who are found to be in violation of this policy may be subject to disciplinary action as provided in the Faculty Handbook Policy C07 (“Faculty Disciplinary Policy”), which states:

1. The university encourages a supportive problem-solving approach to workplace problems, but the university recognizes that misconduct may require disciplinary action. The university normally uses progressive discipline to address possible misconduct. Progressive discipline is intended to be corrective, not punitive in nature. It is designed to provide faculty with notice of deficiencies and an opportunity to improve. However, some violations of policies and procedures, or continued negative behavior, may be of such serious nature that suspension without pay or discharge pursuant to Faculty Handbook policies may be appropriate.

2. Any member of the faculty, including any serving as an academic administrator, who violates a published university policy may be subject to warning, censure, suspension without pay, or dismissal. Teaching or research assistants in their faculty capacity are considered faculty members for purposes of this Policy.

   a) "Warning" means an oral reprimand or expression of disapproval.
   b) "Censure" means a written reprimand or expression of disapproval, which should include an explanation of the nature of the misconduct, and the specific action to be taken by the faculty member and/or chair to correct the problem, including mentoring, if appropriate, and a statement that further disciplinary action could occur should the problem persists.
   c) "Suspension without pay" means disciplinary suspension without regular salary for a stated period of time.
   d) "Dismissal" means termination of employment (see Faculty Handbook Sections B.5.3, B.6.4.3, and B.5.4).

3. The procedures specified in this policy provide for the consideration and determination of proposed disciplinary actions against faculty members short of dismissal. Consideration and determination of disciplinary actions that may result in a proposed dismissal of a tenured faculty member, or dismissal of an untenured faculty member prior to expiration of his or her contract term, are governed by sections B.5.3, B.6.4.3, or B.5.4, respectively, of the Faculty Handbook and are not covered by these procedures. However, cases in which faculty dismissal has been considered pursuant to sections B.5.3, B.6.4.3, or B.5.4, and a lesser sanction is ultimately proposed instead by the administration, shall be handled under this policy, without duplicating steps that have already taken place. In particular, if the chair and dean conclude that suspension without pay is appropriate in a case in which dismissal was considered but rejected, the faculty member is entitled to request a peer hearing as provided below in sections 10 and 11.
4. In the case of allegations against a faculty member that appear to be within the scope of another specific University policy that has its own procedures for investigation and resolution (including but not limited to allegations of research misconduct, discrimination, or sexual harassment), the chair or dean shall forward such allegations to the appropriate person or department for handling pursuant to the applicable policy. If such a process requires the chair to make a disciplinary determination after an investigation and recommendation from another University body, this policy will be followed in determining the appropriate discipline. If the other procedure involved a hearing before a faculty committee, any factual determinations will not be subject to reconsideration by faculty peer review under this policy.

5. References to the department chair in this policy also include the program director or associate or vice dean in a non-departmentalized school or college. If allegations are made against a department chair or other administrator, the next higher academic authority shall perform the functions assigned in this Policy to the chair, and the provisions shall be modified as appropriate. Any individual(s) bringing an allegation of faculty misconduct to the chair's attention is protected by, and subject to, the University's policy on reporting misconduct (UBPPM section 2200, Whistleblower Protection and Reporting Suspected Misconduct and Retaliation).

6. In all cases other than those set forth in paragraphs 3 and 4 above, if a member of the faculty is alleged to have violated a policy of the university, the department chair shall provide the faculty member a written notice explaining the nature and specific content of the alleged violation, together with a copy of this policy, and shall discuss the alleged violation with the faculty member. The written notice shall be given to the faculty member within ninety (90) days of the chair learning of the apparent violation of policy. The faculty member may be accompanied by one person in meeting with the chair. The faculty member and the chair shall notify each other at least two working days prior to the scheduled meeting who, if anyone, will be accompanying them at the meeting. The chair should issue a written report within five (5) working days after the meeting summarizing the discussion with the faculty member, keep a copy in the faculty member's file, and send a signed copy to the faculty member. Before, during or after the meeting, the chair may ask the faculty member to respond in writing to the notice and present any relevant written material within a reasonable time specified by the chair. Likewise, the faculty member shall be free to submit any materials reasonably desired on his/her own volition, no later than five (5) working days after meeting with the chair unless the chair grants additional time in writing. The matter may be concluded at this point by the mutual consent of all parties.

7. The department chair or the faculty member may initiate conciliation proceedings at any time prior to the chair's decision by contacting the Ombuds Dispute Resolution Services for Faculty program as provided in Section C345 with notice to the other parties. Conciliation may be undertaken if both parties agree.

8. If a mutually agreeable resolution (with or without conciliation) is not achieved, the department chair shall make a decision in the matter and communicate it to the faculty member in writing within ten (10) working days after meeting with the faculty member or the termination of conciliation efforts if they are unsuccessful, whichever is later. The faculty member shall have ten (10) working days from receipt of the written decision to submit a written request for review by the appropriate dean, who will issue a written decision concerning whether the chair's decision is upheld, modified or reversed. Prior to making a decision, the dean shall meet with the department chair and the faculty member, and their representatives if desired, together or separately, and shall receive and consider any documents the parties wish to submit. Documents shall be submitted within five (5) working days of the faculty member's request for review. If formal conciliation has not been attempted previously, the dean may refer the matter to Ombuds Dispute Resolution Services for Faculty. The dean will communicate his/her decision to the parties in writing.
within ten (10) working days after meeting with the faculty member or the termination of conciliation efforts if they are unsuccessful, whichever is later.

9. If the faculty member does not agree with the dean's action, he/she may submit a written request for review by the Provost or Chancellor within five (5) working days of receipt of the dean's decision. The Provost/Chancellor will decide the matter on the record unless he/she determines that it would be helpful to meet with the parties, together or separately. Within ten (10) working days after receipt of the complete record or after meeting with the parties, whichever is later, the Provost/Chancellor shall uphold, modify or reverse the dean's decision by written notice to the parties. The Provost/Chancellor may seek an advisory investigation and opinion from the Faculty Ethics Committee. The decision of the Provost/Chancellor is subject to discretionary review by the President or Board of Regents if requested by the faculty member.

10. If the chair, after meeting with the faculty member and considering all materials submitted pursuant to section 6, proposes to suspend the faculty member without pay, the chair shall meet with the dean to review the matter. If the proposal is supported by the dean after meeting with the chair and the faculty member, the faculty member is entitled to a faculty peer hearing. The faculty member shall send such a request to the Provost/Chancellor within five (5) working days of receipt of the dean's determination.

11. If a faculty peer hearing is requested as provided in this Policy, the chair of the Faculty Ethics Committee will arrange for a hearing before two members of that committee from outside the faculty member's department, chosen by the Faculty Ethics Committee, and one uninvolved department chair from a different school or college chosen by the Provost/Chancellor. The hearing will be held as soon as reasonably possible and shall be conducted according to the university's Dispute Resolution Hearing Procedures. The University Secretary's office shall make arrangements for the hearing. Hearings shall be recorded and shall be private unless both parties agree that the hearing be open. The hearing panel may uphold or reverse the proposal to suspend the faculty member without pay. If the panel's decision is to reverse the proposal, the panel may direct the chair and dean to impose a lesser disciplinary measure. The panel's decision may be reviewed on the record by the Provost/Chancellor, but the panel's decision shall not be reversed or modified except in the case of clear error, which shall be detailed in writing by the Provost/Chancellor. The decision of the Provost/Chancellor is subject to discretionary review by the President or Board of Regents if requested by the faculty member.

12. The faculty member may bring a complaint before the Committee on Academic Freedom and Tenure (AF&T) if he/she believes the matter or its handling is within the jurisdiction of the Committee. The Committee will determine whether the matter is within its jurisdiction and, if so, shall handle the matter under the Policy on Academic Freedom and Tenure. Normally, review by the AF&T Committee should be sought after the determination by the Provost/Chancellor. If the faculty member pursues the matter before the AF&T Committee, AF&T shall accept the facts as determined by the faculty peer hearing, if one was held.

13. If the final determination is that no misconduct occurred, efforts shall be undertaken to the extent possible and appropriate to fully protect, restore, or maintain the reputation of the faculty member.

14. These procedures do not supersede Appendix VIII to Part B of the Faculty Handbook, concerning the Faculty Ethics Committee, and a faculty member who believes that he/she has been improperly accused of unethical behavior may bring the matter to the attention of the Ethics Committee under Appendix VIII after determination by the Provost/Chancellor.

Staff who are found to be in violation of this policy may be subject to disciplinary action as provided in UAP 3215 (“Performance Management”), which states:
Progressive Discipline

The University uses progressive discipline for employees, when appropriate. Progressive discipline is designed to allow an employee a reasonable opportunity to meet the requirements of the job, comply with applicable standards, and improve performance. “Performance” for purposes of this policy is used broadly and includes all aspects of being successful in a job.

Progressive discipline may not be appropriate in all instances, such as when health or safety is at risk or a crime has been committed. It does not bar a supervisor from imposing more severe discipline depending on the individual circumstances. Some violations are of such a serious nature that they warrant severe disciplinary action, including but not limited to suspension or discharge without affording prior progressive discipline.

Progressive discipline may include the use of letters for improvement, written warnings, suspension, and discharge. Discipline should be administered equitably and consistently. See the HR website for tools to assist in ensuring appropriateness of actions. Depending on the nature of the matter, a supervisor may start progressive discipline at any appropriate point in the process. The following sections describe in detail the actions associated with the progressive discipline process.

Supervisors should advise employees:

- of the nature of the problem; policies or procedures violated; and expectations (including those job expectations that the employee did not meet, required actions to correct the problem, and timelines for completion);
- that further disciplinary action up to and including discharge may occur should the problem persist; and
- that disciplinary action may be disputed through the applicable appeal process noted in Section 10.

The employee may provide an explanation for the problem. In such cases, the supervisor should consider the employee’s explanation for the problem prior to deciding on whether to take formal disciplinary action.

Since the purpose of discipline is to provide employees with an opportunity to correct problems, when an employee has sufficiently corrected a problem and the supervisor is satisfied that it will not reoccur, subsequent performance evaluations should reflect the improved performance.

5.1. Letter for Improvement
The letter for improvement is the lowest level of disciplinary action. It informs employees of the issues of concern and their supervisors’ expectations for improvement. It is expected that such discussions will result in improved performance. A letter for improvement is not documented in an employee’s official personnel file maintained by the Division of HR. However, the supervisor shall maintain a record of any letter for improvement in the departmental file. This document may be referred to in any further disciplinary action.

5.2. Written Warning
The written warning is the next level of disciplinary action and is used for more severe issues or for situations where issues have continued despite being given an opportunity to improve. A written warning
is documented in the employee's official personnel file maintained by the Division of HR. After an employee has received at least two (2) positive performance evaluations, an employee may petition the applicable dean or director to have the written warning removed from the employee's official personnel file.

5.3. Suspension
A suspension is the third level of possible disciplinary action. It may be issued to an employee due to performance problems that have not been satisfactorily corrected through the use of prior discipline or for serious violations of policy, procedure, or other applicable standards. An employee whose suspension is being considered will be allowed an opportunity to know why the supervisor is considering the action and to respond to the contemplated action before the final decision is made. See Section 6.2 below. Suspensions are normally one (1) – five (5) days in length but may be longer depending on the severity of the issue. Proposed suspensions (notices of contemplated action for suspension) and final suspensions (notices of final action for a suspension) require approval, in advance, by the appropriate dean or director and the VP for HR. The manager must comply with the notice requirements listed in Section 6 of this policy.

5.4. Discharge
A discharge is a permanent involuntary separation of employment from the University for disciplinary reasons and is reserved for the most serious infractions or for continued issues that previously have been addressed but have not been corrected. An employee whose discharge is being considered will also be allowed an opportunity to know why the supervisor is considering the action and to respond to the contemplated action before the final decision is made. See Section 6.2 below. Proposed discharges (notices of contemplated action) and final discharges (notices of final action) requires approval, in advance, by the appropriate dean or director and the VP for HR. The manager must comply with the notice requirements listed in Section 6 of this Policy.

6. Notice of Contemplated Action and Notice of Final Action
The notice of contemplated action is a written notice that outlines the reasons for considering an employee’s suspension or discharge. The notice of final action is the final written decision from the employee’s supervisor or manager after having taken the employee’s response to the notice of contemplated action into account.

Any time period noted under this policy does not include the day of the action from which this time period begins to run. If the last day of the time period falls on a Saturday, Sunday, or holiday, the last day of the time period shall be the next working day.

6.1. Notice of Contemplated Action
The Notice of Contemplated Action must include all of the following points:

- The acts that the supervisor believes constitute proper/just cause (see Section 7). These may include one (1) or more of the acts listed in this policy, but are not specifically limited as such.
- A summary of the evidence against the employee.
- An identification of the University policies, if any, the employee is alleged to have violated.
- Required timeframes in accordance with Section 6.2.

Notices shall be in writing and should be served in person, if possible. At the time of service, the employee should be asked to sign an acknowledgement of receipt. If the employee declines, the supervisor shall so note for the record. If the notice cannot be served in person, the notice may be sent by certified mail with a return receipt requested. The notice must be properly stamped and addressed to the last address provided by the employee. Service is complete when the notice is hand delivered or deposited
with the United States Postal Service by certified mail with a return receipt requested. A copy of the notice will be sent to the Division of HR for placement in the employee's official personnel file.

6.2. Response to Notice of Contemplated Action
An employee may respond to the notice of contemplated action orally and/or in writing. The response is provided to the manager that signed the notice. An employee’s written response must be received within eight (8) work days from receipt of that notice. If an employee wants to respond orally, a written request for the meeting to respond orally must be submitted within five (5) work days from receipt of the notice. Any extension of time to the employee’s response must be in writing and agreed upon by both the employee and the manager.

If responding orally, the employee may have a support person in the meeting but that individual must not verbally advocate on behalf of the employee. When an employee advises the manager of an intent to respond orally, the employee also must advise the manager if the employee is bringing a support person and if that person is an attorney. Refer to the appropriate collective bargaining agreement regarding representation for employees in positions covered under labor agreements.

A copy of the response will be sent to the Division of HR for placement in the employee's official personnel file.

6.3. Notice of Final Action
After considering the employee's oral and/or written response, the manager shall decide on the action to be taken. If it is determined that the employee is to be discharged, the supervisor must obtain approval by the VP for HR, and serve the employee with the written notice of final action. The notice of final action should be delivered within thirty (30) calendar days after receipt of the employee's response. Cases occasionally may require additional time. If so, a letter will be sent to the employee noting the need for additional time (bargaining unit members may refer to their union contract, if applicable). The notice of final action should include all of the following points:

- The final action to be taken.
- The acts constituting proper/just cause, which shall only include allegations specified in the notice of contemplated action.
- A summary of the evidence.
- A reply to the employee's response, if any.
- The effective date of the action.
- A statement of the appeal processes available to the employee.

A copy of the notice will be sent to the Division of HR for placement in the employee's official personnel file.

Discharges or suspensions may be appealed according to Section 10.

7. Proper/Just Cause for Disciplinary Action
Proper/just cause is generally significant or substantial misconduct relating to the employee's work that is inconsistent with the employee's obligation to the University and that violates policy, procedure, or other standards. A list of examples that could constitute proper/just cause for disciplinary action is shown below, but is not an all-inclusive list.

- Attendance issues (unsatisfactory attendance including tardiness).
- Abuse of sick leave. See UAP 3410 (“Sick Leave”).
- Violation of departmental or University policy on confidentiality, or the release of confidential information in violation of law.
Conviction of a felony or misdemeanor, depending on the nature of the offense and applicability to the type of position the employee holds, consistent with the Criminal Offender Employment Act.

Discrimination against an individual or creation of a hostile work environment based on race, ethnicity, national origin, medical condition, gender, and other protected classes under state or federal law as determined by the Office of Equal Opportunity. See UAP 2720 ("Prohibited Discrimination") and UAP 2740 ("Sexual Misconduct").

All allegations of discrimination, including sexual harassment, must be referred to the Office of Equal Opportunity. Failure or refusal to appropriately refer allegations of discrimination, including sexual harassment, to the Office of Equal Opportunity.

Deliberate falsification or misrepresentation of information on employment applications or resumes, timesheets, or other University records.

Impairment in the workplace, in violation of UAP 3270 ("Suspected Impairment at Work").

Illegal or inappropriate use of drugs or alcohol, including possession of substances or related paraphernalia. See RPM 2.6 ("Drug-Free Environment").

Possession of or distribution of obscene or pornographic material unrelated to business needs or University research.

Unacceptable computer use. See UAP 2500 ("Acceptable Computer Use").

Inability to perform the job according to expectations, after documented performance coaching.

Safety issues (violation of safety protocol).

Sleeping during work hours.

Theft, embezzlement, or fraud. Misappropriation or personal use of University funds, property, possessions, or resources. Failure to follow purchasing protocols. See UAP 7205 ("Dishonest or Fraudulent Activities").

Insubordination – intentional or willful failure to obey a lawful and reasonable request of a supervisor.

Inappropriate/unprofessional behavior or violation of Employee Code of Conduct. See UAP 3720 ("Employee Code of Conduct and Conflicts of Interest").

Vehicle use policy violation. See UAP 7780 ("Use of University Vehicles").

Violence or threat of violence, such as assault, battery, or stalking of individuals on the University campus. See UAP 2210 ("Campus Violence").

Violation of University policies or procedures.

Concerns about progressive discipline being misused or non-compliant with this policy may be reported to the VP for HR or according to UAP 2200 ("Reporting Suspected Misconduct and Whistleblower Protection from Retaliation"). See Section 10 for formal appeal processes.

8. Pay Status
Post-probationary and contract employees will remain on paid status at all times pending delivery of discipline. Post-probationary and contract employees may continue working or may be placed on administrative leave with pay pending completion of the investigative or disciplinary process. Requests for administrative leave must be sent to the HR Consultant. The VP of HR will coordinate with the respective executive vice president, who will approve or disapprove the leave. For more information, refer to Section 3.7 of UAP 3415 ("Leave With Pay").

9. Required Approval by the Division of HR
It is recommended that supervisors speak with their HR Consultant and obtain guidance prior to issuing a Letter for Improvement. Supervisors contemplating a written warning, demotion, or discharge of any employee, including forced termination of probationary and temporary employees, must consult with their HR Consultant before taking such action. Suspensions and discharges must also be approved in writing by the department’s dean, director, or above and by the VP for HR.
10. Appeal Process for Suspension and Discharge

If a post-probationary employee who is in a non-bargaining unit position has been suspended or discharged, the employee may appeal by requesting a peer hearing as provided below. Appeals may be requested by contacting the Main Campus Compliance Office within ten (10) business days of receiving the notice of final action for suspension or discharge. The timeline is determined to begin the next working day after the action is issued. Employees who wish to appeal a suspension or discharge and whose position titles are covered under a collective bargaining agreement should review the relevant agreement for grievance procedures.

10.1. Peer Hearing

Peer hearings are coordinated by the Main Campus Compliance Office and consist of a Peer Review Panel of three (3) uninvolved University employees who have no connection with the dispute, nor any interest in the outcome of the hearing. Members of the Peer Review Panel will be randomly selected from a pool consisting of all University employees.

The employee who was suspended or discharged and the management representative who suspended or discharged the employee will select the panel members from the randomly chosen names.

10.2. Discretionary Review by President and Board of Regents

The results of a peer hearing may be appealed to the University President and the Board of Regents. Normally, they accept review only in extraordinary cases, such as those where proper procedures have not been followed, where the decision appears to be unsupported by the facts, or where the decision appears to violate University policy. If an appeal is accepted, it will first go to the University President. The Board of Regents has the discretion to review the University President's decision. The appeals are handled pursuant to RPM 1.5 (“Appeals to the Board of Regents”).

STUDENT DISCIPLINARY PROCESS

ARTICLE 4. DISCIPLINARY PROCESS

4.1. Prohibited Conduct

The university may take disciplinary action against a student for a violation of the Student Code of Conduct when the offense occurs on university premises or at a university-sponsored event, or when the violation occurs off campus and failure to take disciplinary action is likely to interfere with the educational process or the orderly operation of the university, or endanger the health, safety or welfare of the university community or any individual student or employee. The term "student" includes both full-time and part-time students pursuing undergraduate, graduate or professional studies. Student status continues for the entire period of enrollment, including university holidays, class breaks and summer session, if the student is enrolled for the preceding spring and following fall academic terms.

The university may take disciplinary action for a violation of the Visitor Code of Conduct when the offense occurs on university premises, as part of a university sponsored event or in connection with university activities. "Visitor" means a person who is not a student, a university employee or a member of the Board of Regents.

Under the University's Student Code of Conduct, which applies to the Main Campus and all of the branch campuses, a student who commits a violation of this Code, including an act of a crime of violence, sexual violence or misconduct, is subject to the following possible sanctions:
• Verbal warning - means an oral reprimand.
• Written warning - means a written reprimand.
• Disciplinary probation - means the establishment of a time period during which further acts of misconduct may or will result in more severe disciplinary sanctions depending upon the conditions of the probation. Conditions of probation can include community service, attendance at workshops and/or seminars regarding subjects including but not limited to alcohol, drug or safety workshops and/or seminars, mandatory mental health evaluation and/or counseling or other educational sanctions.
• Suspension - means losing student status for a period of time specified in the terms of the suspension. A suspension may commence immediately upon a finding of a violation or it may be deferred to a later time.
• Expulsion - means losing student status for an indefinite period of time. Readmission may not be sought before the expiration of two years from the date of expulsion, and it is not guaranteed even after that time.
• Dismissal - means termination of student employment, either for a stated time period or indefinitely.
• Barred from campus - means being barred from all or designated portions of the university property or activities.

Students living in UNM Residence Halls are subject to the following possible sanctions for misconduct occurring in the residence halls:

• Housing reassignment - means the transfer of the student from one dorm room to another or one residence hall to another.
• Restricted from entry into specific residence halls, dining hall, commons building, and other UNM housing facilities.
• Contract termination - means the termination of the housing contract either for a stated period of time or indefinitely.

Under the University's Visitor Code of Conduct, which applies to the Albuquerque and all branch campuses, a visitor who commits a violation of this Code, including a sex offense, is subject to the following possible sanctions:

• Verbal Warning - means an oral reprimand.
• Written Warning - means a written reprimand.
• Probation - means the establishment of a time period during which further acts of misconduct may or will result in more severe sanctions depending on the conditions of the probation.
• Removal from campus - means being physically escorted or forcibly removed to a location off property owned or controlled by the university, by UNMPD or other university agents.
• Barred from campus - means being barred from all or designated portions of university property or activities.
• The sanctions of denial of admission, readmission or employment by the university.
• Additionally or alternatively, any sanction applicable to a student under the Student Code of Conduct may be provisionally applied to a visitor, to be made effective should the visitor ever enroll or re-enroll at the university.

4.2. Referral of Misconduct to the Dean of Students Office
A. Except as provided in Article 4.2(B) below, allegations of misconduct in violation of the Student Code of Conduct must be in writing and submitted to the Dean of Students Office which has primary authority to deal with disciplinary matters.

Complaints of alleged misconduct should be submitted as soon as possible after the event takes place, preferably within sixty (60) days. Absent just cause, complaints must be submitted within one year following discovery of the suspected misconduct.

B. As set forth in Article 1.8, disciplinary matters involving allegations of discrimination as defined in that Article and Article 4.4 herein, including but not limited to allegations of sex discrimination/harassment/misconduct/violence, are addressed under Article 4.4.

C. Upon referral, or upon his or her own initiative, the Student Conduct Officer may review relevant evidence and consult with the person referring the allegation, the student accused, and any witnesses. The Student Conduct Officer will send written notification to the accused student indicating the nature of the activity in which the student was allegedly involved, and what university rules were allegedly violated. The student will be given the opportunity to meet with the Student Conduct Officer to review the options for resolving the charges. If the student fails to attend the meeting, the Student Conduct Officer may decide the charges based upon the information available and/or place a hold on the student's registration. The accused student will also be offered one or more of the following options to resolve the charges; however, the Student Conduct Officer is authorized to refer the charges for a formal hearing before the Student Conduct Committee even if the student does not elect a formal hearing. If a student fails to select a hearing process, the Student Conduct Officer will decide which hearing process will be followed. The options for resolving the charges are:

i. Mediation: This option is reserved for situations where all relevant parties in an incident agree to have a conflict resolved through mediation and sign an agreement to mediate. If all parties agree to this process and mediation is successful, a formal finding will not be issued with regard to the Student Code of Conduct charges. However, failure to fulfill the terms of a final mediation agreement could lead to reactivation of these charges and additional disciplinary action. Mediation will not be used to resolve complaints alleging sexual violence.

ii. Informal Disposition Conference: The accused student and Student Conduct Officer will meet informally to discuss the alleged violation(s). If the substantive facts and sanction can be agreed upon, a disciplinary action agreement will be prepared by the Student Conduct Officer and signed by the accused student. A signed disciplinary action agreement will constitute a waiver by the student of the right to an administrative hearing or formal hearing as well as any appeal, and an acceptance of the findings and sanction.

iii. Administrative Hearing with the Student Conduct Officer: This option allows the accused student to present evidence to the Student Conduct Officer for consideration and suggest witnesses that the Student Conduct Officer may consider interviewing before a decision is rendered. The Student Conduct Officer may contact other individuals who have knowledge about the incident giving rise to the charges.

The party waives the right to question such individuals or otherwise participate in an evidentiary hearing. Administrative Hearings are not tape recorded. Within three weeks of the completion of all witness interviews, the Student Conduct Officer will send the party charged a letter which indicates the finding in the case and any disciplinary sanction imposed. The Student Conduct Officer may find the party charged
not responsible for violating the Student Code of Conduct, or may find the party responsible and impose a disciplinary sanction in accordance with Article 4 of the Student Code of Conduct.

iv. Formal Hearing with the Student Conduct Committee: This option allows the accused student to respond to the charges, present witnesses on his or her own behalf and question witnesses. Formal hearings are tape-recorded. Within three weeks of the conclusion of the hearing, the Student Conduct Committee will send the party charged a letter which indicates the finding in the case and any disciplinary sanction imposed. The Student Conduct Committee may find the party charged not responsible for violating the Student Code of Conduct, or may find the party responsible and impose a disciplinary sanction in accordance with Article 4 of the Student Code of Conduct. A formal hearing with the Student Conduct Committee is conducted in accordance with the procedures outlined in Articles 5 and 6.

D. When a case involves Student Code of Conduct charges against more than one party, the Student Conduct Officer will determine whether to hold one hearing to resolve charges against all parties or hold separate hearings for each accused student.

E. A student allegedly committing a criminal offense under state or federal law that is also a violation of the Student Code of Conduct may be subject to university disciplinary proceedings. The university may pursue disciplinary action against a student at the same time the student is facing criminal charges for the same offense, even if the criminal prosecution is pending. The university may also pursue disciplinary action even if criminal charges were dismissed, reduced or resolved in favor of the student-defendant.

F. Unless otherwise specified in the decision, sanctions issued by the Student Conduct Officer (not including an Emergency Suspension as outlined in Article 4.3) or by the Student Conduct Committee shall not be implemented until the appeal process as set forth under Article 7 is completed.

G. The standard of proof utilized to resolve Student and Visitor Code of Conduct charges shall be that of preponderance of the evidence, meaning that the evidence, considered in its entirety, indicates that, more likely than not, the accused student (or chartered student organization or visitor) violated the Code of Conduct.

H. The party who is charged with violating the Code of Conduct is responsible for presenting his or her case; advisors are therefore not permitted to speak or to participate directly in any conference or hearing.

I. Upon written request, UNM will disclose to the individual who alleges that they were subjected to a crime of violence or a non-forcible sex offense the final results of the disciplinary proceedings conducted by UNM issued to the student who is the alleged perpetrator of the offense(s) alleged. If the individual who is alleged to have been subjected to the crime of violence or non-forcible sex offense at issue is deceased as a result of such offense(s), the next of kin of such individual shall be treated that individual for the purpose of disclosing the final result of the disciplinary proceedings.

Additionally, in cases of Sexual Violence as described in Article 7.7(C), the respondent and inquiring parties have the right to be notified in writing of the final determination and any sanctions imposed to the extent permitted by the federal Family Educational Rights and Privacy Act (FERPA).

J. Decisions by the Student Conduct Officer or Student Conduct Committee, in most cases, will be rendered within sixty (60) days of the filing of a complaint. This date can be modified at the discretion of the Student Conduct Officer if deemed necessary, such as to conduct a hearing that protects the rights of all parties.
4.3. Emergency Suspension and Banning from Campus

A. The Dean of Students may immediately suspend a student (or chartered student organization) and/or ban a student or visitor if the Dean concludes that the person's continued presence on the campus may endanger persons or property or may threaten disruption of the academic process or other campus functions.

B. When a person has been immediately suspended or banned by the Dean of Students under this article, the person may request to meet with the Dean to consider whether the emergency suspension should be continued. The meeting shall be held as soon as possible (no later than one week) after the request. The Dean of Students shall give the person an opportunity to explain his or her position and shall receive evidence or hear from witnesses with pertinent information, if requested by the person. In the case of a chartered student organization, the Dean will meet, if requested, with the organization's president or other designated officer.

C. After the meeting, if the Dean finds that the person's continued presence may endanger persons or property or threaten disruption of the academic process or other campus functions, the Dean shall continue the suspension and/or ban. Otherwise, the emergency suspension and/or ban shall be revoked or modified.

D. For students and chartered student organizations, an emergency suspension or banning does not end the disciplinary process. Resolution of the charges will proceed as set forth in Article 4.2 (B) herein. For visitors, the Dean of Students will decide whether to maintain an emergency ban and make it permanent, or modify or end the emergency ban, ordinarily after giving the visitor an opportunity to meet. The decision of the Dean of Students concerning a visitor is final for the university.

4.4. Investigation of Complaints of Discrimination, Including Allegations of Sex Discrimination, Sexual Harassment, Sexual Misconduct, and Sexual Violence

A. Definitions - the following definitions apply to Article 4.4 of this Student Grievance Procedure:

i. "Discrimination" includes all forms of unlawful discrimination based on an individual's or group's protected class (es), including age (40 and over), ancestry/national origin, color/race, gender identity, medical condition, mental/physical disability, religion, sex/gender, sexual orientation, spousal affiliation, veteran status, and any other protected class as described in University Administrative Policy #2720; acts of sexual harassment as described in university Administrative Policy #2730; and acts of sexual harassment, sexual misconduct, and sexual violence as described in University Administrative Policy #2740. For purposes of this Procedure, "discrimination" also includes retaliation for having made allegations of discrimination, having participated in an investigation into allegations of discrimination, or otherwise having engaged in opposition to unlawful discrimination. Retaliation is explicitly prohibited under university administrative policies #2720, 2730, and 2740.

ii. "Complaint" refers to allegations of prohibited discrimination as defined herein filed with the University's Office of Equal Opportunity.

iii. "Complainant" refers to the individual alleging that they have experienced discrimination as defined herein.
iv. "Accused student" refers to the individual accused by the complainant of having violated university policy prohibiting discrimination as defined herein.

v. "The Office of Equal Opportunity" or "OEO" is the university office that processes allegations of discrimination as defined herein, including but not limited to investigating such allegations and making determinations as to whether or not the university's policies prohibiting discrimination have been violated. OEO does not issue sanctions for violations of policy.

vi. "Probable Cause" means that the evidence submitted during the OEO investigation supports a finding that it is more likely than not that the acts alleged are in violation of university policy prohibiting discrimination.

vii. "No Probable Cause" means that the evidence submitted during the OEO investigation does not support a finding that it is more likely than not that the acts alleged are in violation of University policy prohibiting discrimination.

B. Allegation(s) that a student has engaged in an act of discrimination will be referred to OEO for investigation pursuant to OEO's Discrimination Claims Procedure. If it accepts the matter for investigation, OEO will issue a Final Letter of Determination at the conclusion of that investigation finding either No Probable Cause or Probable Cause that the accused student has committed an act in violation of the university's prohibitions against discrimination as defined herein. The accused student and complainant have the right to appeal OEO's Final Letter of Determination as provided for in OEO's Discrimination Claims Procedure, which describes the sole method of appealing a determination made by OEO. Nothing in this Grievance Procedure provides an avenue to appeal OEO's final determination of an alleged policy violation.

C. If Probable Cause is found that a student committed an act of discrimination in violation of university policy, OEO will refer the matter to the Dean of Students Office to determine the sanction to be imposed. Sanctions should be designed to eliminate the misconduct, prevent its recurrence, and remedy its effects, while supporting the university's educational mission and obligations under university policy and state and federal law, including but not limited to Title IX of the Education Amendments of 1972, the Civil Rights Act of 1964, and the New Mexico Human Rights Act. Ordinarily, after consulting with the accused student, the Student Conduct Officer will decide which of the options set forth in Article 4.2(B) (iii) and (iv) herein will be utilized to determine the sanction. The options of an administrative hearing with the Student Conduct Officer and the formal hearing with the Student Conduct Committee will be modified as appropriate so as to focus solely on determining what sanction(s) to impose. The options of mediation and informal disposition described in Article 4.2(B) (i) and (ii) respectively are not available when the accused student has been found to have engaged in prohibited discrimination in violation of university policy.

D. The decision on sanctions made by either the Student Conduct Officer or Student Conduct Committee may be appealed as provided for by Article 7.3 herein, except that the only permissible grounds for appeal is that there was significant procedural error in the sanctioning process of a nature sufficient to have materially affected the outcome of the sanction decision, and/or the severity of the sanction is grossly disproportionate to the violation(s) of university policy that OEO found to have been committed. Both the accused student and the complainant may appeal the sanction decision. Neither the accused student nor
the complainant may appeal the findings and determination made by OEO in the Article 7 appeals process.

E. If OEO finds No Probable Cause that a student committed an act in violation of the university's prohibition against discrimination, OEO will refer the matter to the Dean of Students Office for review to determine whether charges under any other provisions of the UNM Student Code of Conduct or university policy are warranted or other action should be taken.

ARTICLE 5. STUDENT CONDUCT COMMITTEE

5.1. Jurisdiction

The Student Conduct Committee will hold a hearing when a party chooses the hearing option of a formal hearing before the Committee or when the Student Conduct Officer refers the matter to the Committee.

5.2. Composition

A. The Student Conduct Committee will consist of three members, ordinarily including one student, one faculty member and one staff member, with the Dean of Students serving as an additional, nonvoting member and Chair of the Student Conduct Committee. The student, faculty and staff members of a Student Conduct Committee are drawn from a standing pool consisting of faculty members designated by the Faculty Senate President; staff members designated by the Staff Council President and student members designated by the Presidents of ASUNM and GPSA.

B. Students may not serve on hearing panels in cases involving allegations of sexual harassment, sexual violence, or sexual assault as described in University Administrative Policy #2740. In such cases, the Student Conduct Committee will be comprised of a mixed-gender three-person committee, all of whom have received appropriate Title IX training.

C. No one may serve on the Student Conduct Committee who has a conflict of interest or bias with respect to the case to be heard such that he or she cannot hear the case fairly and impartially, however, prior knowledge of the parties in the case or of the conduct that is the subject of the case does not itself constitute a conflict of interest or bias. Allegations that a member of the Committee has a conflict of interest or is biased shall be reviewed by the Dean of Students, whose decision is final.

D. A party charged may be found responsible for violating the Code of Conduct by a majority vote of the Student Conduct Committee.

5.3 Investigation Report

The Student Conduct Officer will prepare an Investigation Report for the Student Conduct Committee. The Student Conduct Officer typically conducts interviews with the complainant, the accused student and any third-party witnesses; visits and takes photographs at relevant sites if appropriate; and gathers other relevant evidence.

The Investigation Report includes, among other things, summaries of interviews with the complainant, the accused student and any third party witnesses; photographs of the relevant site(s); other relevant evidence; and a detailed written analysis of the events in question. The Investigation Report will be provided to the Student Conduct Committee, the complainant and the accused student.
In cases involving allegations of discrimination as defined in Article 4.4 herein, the Final Letter of Determination issued by OEO will substitute for the Student Conduct Officer's Investigation Report. In such cases, the Student Conduct Committee may not consider the propriety of OEO's determination; rather, the Committee will be limited to determining what, if any, sanction will be imposed for the violation of policy as determined by OEO in the Final Letter of Determination. The Committee is limited to making its sanctioning determination based on the circumstances and the evidence presented to it by the parties and witnesses at the hearing.

ARTICLE 6. HEARING PROCEDURE

The following rules shall apply to formal hearings conducted by Student Conduct Committee:

6.1. The hearing shall be closed, unless the Dean of Students decides to let others attend if he or she deems that their presence may be helpful to the review and determination of the charges, or if there are other compelling reasons for their presence.

6.2. The accused student, the complainant and their advisors, if any, shall be allowed to attend the entire portion of the hearing at which information is received (excluding deliberations).

6.3. The accused student and the complainant may each have an advisor (including an attorney) attend the hearing. The role of the advisor is to provide his or her advisee with support and counsel regarding the process. The advisor (including an attorney advisor) cannot act as a representative of his or her advisee, cannot have a voice in the hearing and therefore is not permitted to present arguments or evidence or otherwise participate directly in the hearing.

6.4. Student Conduct Committee members may question the accused student, the complainant and any witnesses.

6.5. The accused student has the right, within reasonable limits set by the Dean of Students, to question all witnesses who testify. The Dean of Students may also permit the complainant to question the witnesses, within reasonable limits.

6.6. The accused student and the complainant will not be permitted to directly question each other in hearings to determine the sanction to be imposed on a student for whom UN M's Office of Equal Opportunity has issued a Probable Cause determination under Article 4.4 herein. Questions for the accused student and the complainant from the other party may be suggested by each of them to the Student Conduct Committee who will decide whether to pose them. In such cases, additional limitations on questioning may be imposed that are consistent with the complainant's rights as stated in Article 7.7 herein.

6.7. The accused student and the complainant may each request the presence of witnesses at the hearing by informing the Dean of Students of their names and expected testimony at least five business days before the hearing. Based upon the Investigation Report, the Student Conduct Committee may call witnesses not identified by either the complaint or the accused student. The Dean of Students may refuse to call a requested witness if he or she determines that the expected testimony is not sufficiently relevant to the charges, would be duplicative of other testimony, or would otherwise not be significantly helpful to the review and determination of the charges. The Dean of Students will try to arrange the attendance of witnesses who are members of the university community (students, staff and faculty). The accused student and complainant are responsible for arranging the attendance of persons from outside of the university. The Student Conduct Committee has no subpoena authority. The accused student and
complainant will each receive a list of witnesses called to testify at least three business days before the hearing.

6.8. The accused student and the complainant may each submit pertinent documentary evidence for consideration by the Student Conduct Committee at least five business days before the hearing. As with witnesses, the Dean of Students may, for the reasons cited in Article 6.6, decline to accept a party's evidence. Both parties will be provided access to all documentary evidence accepted, consistent with the federal Family Educational Rights and Privacy Act (FERPA).

6.9. In its discretion, but consistent with the other provisions of this Grievance Procedure, the Student Conduct Committee may proceed independently to secure evidence for the hearing. Both parties will have an opportunity to review any such evidence at least three business days before the hearing, consistent with the federal Family Educational Rights and Privacy Act (FERPA).

6.10. The hearing will be recorded in an appropriate format as determined by the Dean of Students, and the Dean of Students Office will keep the recording(s). The recording is the property of the university. No typed record will be made.

6.11. The rules of evidence used in civil or criminal trials are not applicable to formal hearings conducted by the Student Conduct Committee.

6.12. Within three weeks of the conclusion of the hearing, the Student Conduct Committee will send the accused student a decision letter which includes the Committee's findings and any disciplinary sanction imposed. The Student Conduct Committee may find the party charged not responsible for violating the Code of Conduct, or may find the party responsible and impose a disciplinary sanction. As set forth in Article 7.7(C), in a case of alleged sexual violence, the complainant will also be notified of the Student Conduct Committee's decision, to the extent permitted by the federal Family Educational Rights and Privacy Act (FERPA).

6.13. The Student Conduct Committee may seek advice from the Office of University Counsel throughout the adjudication process on questions of law or procedure; however, factual determinations are the exclusive domain of the Committee.

6.14. Decisions of the Student Conduct Committee are subject to appeal to the Vice President for Student Affairs, as per Article 7.2 herein, if the sanction imposed by the Committee is suspension, expulsion or banning from the campus. In cases involving allegations of discrimination as provided in Article 4.4 herein, decisions of the Student Conduct Committee are subject to appeal to the Office of the President as provided in Article 7.3 herein.

ARTICLE 7. APPEALS, RECORDS AND RIGHTS

Decisions of the Student Conduct Committee or the Student Conduct Officer are final, unless a sanction of suspension, expulsion or banning from campus is imposed. Appeals in cases involving sanctions issued for violations of the university's prohibitions against discrimination as provided in Article 4.4 herein may be taken by the sanctioned student and/or the complainant, but such appeals must proceed pursuant to Article 7.3(A) herein.

7.1. Appeal to Dean of Students
A. A student receiving a sanction of suspension, expulsion, or banning from campus from the Student Conduct Officer may appeal the decision to the Dean of Students. A Dean of Students Office appeal form must be completed and received by the Dean of Students Office within seven working days of the date of the written decision from the Student Conduct Officer.

Except as provided in Article 4.4(D) and 7.3(A) of this Grievance Procedure, the following will be considered the only grounds for an appeal:

1. There was significant procedural error of a nature sufficient to have materially affected the outcome;

2. The decision was not in accordance with the evidence presented;

3. There is significant new evidence of which the appellant was not previously aware, that the appellant could not have possibly discovered through the exercise of reasonable diligence, and the absence of which was sufficient to have materially affected the outcome; and/or

4. The severity of the sanction is grossly disproportionate to the violation(s) committed.

On appeal the Dean of Students shall review the decision of the Student Conduct Officer and may schedule an appointment with the party appealing to discuss the reasons for the appeal.

B. After reviewing the case, the Dean of Students may:

i. Affirm or overturn the findings of the Student Conduct Officer.

ii. Affirm or alter the sanction imposed by the Student Conduct Officer.

iii. Remand the case to the Student Conduct Officer. A remand will generally occur where new evidence is to be reviewed or as otherwise determined by the Dean of Students. Where a case is remanded, the decision of the Student Conduct Officer may be appealed to the Vice-President for Student Affairs.

iv. The Dean of Students will send written notification of the decision to the appealing party within two weeks of meeting with the appealing party, with a copy sent to the Student Conduct Officer.

7.2. Appeal to Vice President for Student Affairs

A. Appeals to the Vice President for Student Affairs may be made from a decision of the Dean of Students to uphold a student's suspension, expulsion or banning from campus; or from a decision of the Student Conduct Committee imposing such a sanction.

B. An appeal form must be completed and submitted to the Vice President for Student Affairs within seven working days of the date of the written decision from the Dean of Students or the Student Conduct Committee. The grounds for appeal to the Vice President are the same as for an appeal to the Dean of Students (see Article 7.1 (A)). On appeal the Vice President for Student Affairs shall review the decisions of the Student Conduct Officer, Student Conduct Committee and/or the Dean of Students. The Vice President for Student Affairs may meet with the party appealing to discuss the reasons for the appeal.

C. After reviewing the case, the Vice President for Student Affairs may:
i. Affirm or overturn the findings of the Dean of Students or the Student Conduct Committee;

ii. Affirm or alter the sanction imposed by the Dean of Students or the Student Conduct Committee; or

iii. Remand the case to the original tribunal (Student Conduct Committee or Student Conduct Officer) for further proceedings. A remand will generally occur where new evidence is to be reviewed or as otherwise determined by the Vice President for Student Affairs. Where a case is remanded, the decision of the Student Conduct Committee or Student Conduct Officer may be appealed after rehearing to the Vice President for Student Affairs.

iv. The Vice President for Student Affairs will send written notification of the decision to the appealing party within two weeks of meeting with the appealing party. A copy of the decision shall be sent to the Dean of Students.

7.3. Appeal to the President and the Board of Regents

A. Appeals of sanctions issued for violations of university policy prohibiting discrimination as provided in Article 4.4 of this Grievance Procedure.

i. Decisions of the Student Conduct Committee or the Student Conduct Officer regarding sanctions imposed for violations of the university's prohibition against discrimination as provided in Article 4.4 herein are final, unless a sanction of suspension, expulsion or banning from campus is imposed. A student receiving such a sanction may appeal the decision to the Office of the President. The appeal must be in writing, contain a statement of the sanction(s) being appealed and the grounds therefore, and must be received at the Office of the President within seven working days of the date of the written decision from the Student Conduct Committee or Student Conduct Officer. Either the sanctioned student or complainant may appeal a sanctioning decision of the Student Conduct Officer or the Student Conduct Committee in cases involving sexual harassment, sexual misconduct, or sexual violence. Only the sanctioned student may appeal a sanctioning decision of the Student Conduct Officer or Student Conduct Committee in cases involving discrimination that is not related to sexual harassment, sexual misconduct, or sexual violence.

ii. As provided in Article 4.4(D) herein, appeals of sanctions issued for violations of the university's prohibition against discrimination, including sex discrimination, sexual harassment, sexual misconduct, or sexual violence, are only permissible if the grounds for such appeal are that there was significant procedural error during the sanctioning process of a nature sufficient to have materially affected the outcome of the sanction decision and/or the severity of the sanction is grossly disproportionate to the violation(s) of university policy that OEO found to have been committed.

Nothing in this Procedure provides a means to appeal any decision issued by OEO that may provide the basis for a sanctioning decision.

iii. The President's consideration of whether the sanctioning decision(s) on appeal was procedurally erroneous or grossly disproportionate to the violations(s) of university policy as found by OEO will be limited to a review of the evidence submitted to the Student Conduct Committee and/or Student Conduct Officer relevant to the level of sanction(s) to be imposed; the evidentiary findings made by Student Conduct Committee and/or Student Conduct Officer; and/or the conclusions made by the Student Conduct Committee and/or Student Conduct Officer in determining the level of sanction(s) imposed. The President will not consider any evidence not submitted to the Student Conduct Committee or Student Conduct Officer.
Conduct Officer for consideration of the sanction(s) at issue unless such evidence is newly discovered or was otherwise not reasonably available to the appealing party or parties at the time the sanctioning process was initiated.

iv. After reviewing the case, the President may:

a) Affirm the sanction (s) issued in its/their entirety;

b) Affirm the sanction (s) issued in part and remand the remainder to the Student Conduct Committee and/or Student Conduct Officer for further proceedings; or

c) Remand the decision issuing the sanction(s) on appeal in its/their entirety to the Student Conduct Committee and/or Student Conduct Officer for further proceedings.

A remand will generally occur only where new evidence, as provided in Article 7.3(A) (iii) herein, is to be reviewed or as otherwise determined by the President. Where a case is remanded, the subsequent decision of the Student Conduct Committee or Student Conduct Officer may be appealed after rehearing to the President as provided in Article 7.3 herein.

v. Appeals to the Board of Regents may be petitioned-for from a decision of the President to uphold the sanctioning decision (s) issued by the Student Conduct Committee and/or Student Conduct Officer regarding a student found by OEO to have violated the university's prohibitions against discrimination, including sex discrimination, sexual harassment, sexual misconduct, and sexual violence. Such an appeal must be submitted to the Board of Regents in writing, stating the sanction (s) appealed and the grounds upon which the appeal is based, within seven working days of the President's decision being issued. Appeals to the Board of Regents that are accepted will be handled pursuant to the policies of the Regents concerning discretionary reviews.

**Missing Student Notification Procedures**

UNM takes student safety very seriously. To this end, and in compliance with the Higher Education Opportunity Act of 2008, the purpose of this policy is to provide procedures for reporting, investigating and making emergency notifications regarding any residential student of UNM who, based on the facts and circumstances known to UNM, has been determined to be missing.

For purposes of this policy, a residential student of UNM is a student who is currently enrolled and resides in on-campus housing or in privately owned Greek housing on campus.

**Student Contact Information**

Residential students have the opportunity to identify an individual who will be contacted by UNM within 24 hours of the determination that the student is missing. The contact person may be a parent, legal guardian or other person of the student’s choosing, except if the student is under 18 years of age and is not emancipated, UNM must notify a parent or legal guardian within 24 hours of the determination that the student is missing. Student contact information is held confidential and is accessible only to authorized UNM officials and law enforcement involved in a missing person investigation. Students living in UNM residence halls can register their confidential contact information, or make any changes to
previously registered information, through Residence Life and Student Housing (505) 277-2606. Students living in the ACC Properties (Casas del Rio 505-277-1619 and Lobo Village 505-925-5575) can register their confidential contact information, or make changes to previously registered information, through their respective residence hall front desk. Students residing in Greek housing can register their confidential contact information through the Greek Life Office of UNM Student Activities Center (505) 277-4706. Students are responsible for ensuring that their contact information is up-to-date and accurate.

UNM students, employees or other individuals who have reason to believe that a residential student is missing should immediately report their concerns to the UNMPD (505) 277-2241. If the Residence Life and Student Housing Office, Greek Life Office or other department receives a report of a missing student, the UNMPD should be notified immediately of this report. The UNMPD will, as appropriate, engage staff from Residence Life and Student Housing and other UNM departments in immediate efforts to locate the student. These efforts may include but are not limited to:

- Contacting the student via his or her telephone and/or email.
- Checking the student’s residence; determining if the student has been in class or used his or her UNM ID card.
- Checking with roommates, friends and others who may have relevant information.

If these efforts are unsuccessful in locating the student, UNMPD will inform the Dean of Students that the student is missing and the following will occur:

- The Dean of Students, or designee, will notify the student’s designated missing person contact within 24 hours of being informed by UNMPD that the student is missing.
- If the missing student is under the age of 18 and is not emancipated, the Dean of Students, or designee, will notify the student’s custodial parent or legal guardian within 24 hours of being informed by UNMPD that the student is missing.
- UNMPD will notify any other law enforcement agencies within 24 hours, as appropriate, for purposes of coordinating the investigation and continuing efforts to locate the student.
- The Dean of Students will initiate actions deemed appropriate under the circumstances in the best interest of the missing student. For example, contacting the student’s instructors may occur if necessary or beneficial in the situation to the student and/or instructors.

**UNM WEAPON’S POLICY**

With very few exceptions, employees, students and visitors are not permitted to use or possess weapons on any part of the campus. A weapon includes, but is not limited to: firearms; ammunition and other dangerous weapons, substances, or materials; and bombs, explosives, or incendiary devices.

Any person failing to comply will become subject to appropriate disciplinary and/or criminal action. The UNM Weapons Policy is printed in its entirety in The UNM Pathfinder, which is available in the Dean of Students Office (Student Services Center). The Pathfinder is also available on-line at [http://pathfinder.unm.edu/](http://pathfinder.unm.edu/).
There are certain items that are allowed on the UNM Main Campus for self-defense purposes, which include:

**POLICY ON ILLEGAL DRUGS & ALCOHOL**

The Drug-Free Schools and Communities Act Amendments of 1989 (amends original law passed in 1986)

This law requires institutions receiving federal financial assistance to establish drug and alcohol abuse prevention programs for students and employees. This includes, at minimum, the following:

I. Create/have a campus alcohol and other drug policy that contains information on:

1. Standards of conduct that clearly prohibit, at a minimum, the unlawful possession, use, or distribution of illicit drugs and alcohol by employees and students on its property or as part of its activities;
2. A description of applicable legal sanctions under local, state, or federal law for the unlawful possession or distribution of illicit drugs and alcohol;
3. A description of health risks associated with the use of illicit drugs and the abuse of alcohol;
4. A description of available drug or alcohol counseling, treatment, or rehabilitation or re-entry programs;
5. A clear statement of the disciplinary sanctions that the institution will impose on employees and students and a description of termination of employment and referral for prosecution for the unlawful possession, use, or distribution of illicit drugs and alcohol. Disciplinary sanctions may also include completing an appropriate rehabilitation program.

II. The institution must distribute this policy to all students, faculty, and staff annually

Note: Until a few years ago, the Department of Education interpreted this to require that the policy be sent via printed documents through campus mail. The use of electronic distribution (email) is now considered appropriate given,

1) The email is distributed to all students, staff, and faculty, and,
2) The policy appears in the text of the email and not as an attachment

III. The institution has adopted and implemented an alcohol and other drug prevention program

IV. The institution must conduct a biennial report review of the program’s effectiveness, implement changes, if needed, and ensure that the disciplinary sanctions are consistently enforced.

*The University of New Mexico Drug Free Campus*
This Policy on Illegal Drugs and Alcohol is adopted pursuant to federal laws and because of the commitment of UNM to an environment for the pursuit of its educational mission free of drugs and the illegal use of alcohol. Drug and alcohol abuse on campus poses a serious threat to the health and welfare of faculty, staff and students; impairs work and academic performance; jeopardizes the safety and well-being of other employees, students and members of the general public; and conflicts with the responsibility of The University of New Mexico to foster a healthy atmosphere for the pursuit of education, research and service. Federal and State laws relating to controlled substances and alcohol are enforced by the UNMPD. The university enforces the state of New Mexico underage drinking laws and therefore does not permit the possession or consumption of alcoholic beverages by people under the age of twenty-one. Illegal uses of alcohol include, but are not limited to, serving, buying or drinking alcohol by a minor; assisting a minor or an intoxicated person to get alcohol; selling alcohol without a license and driving while under the influence.

This policy covers all property owned, used, leased or controlled by UNM, or any other site where official University business is being conducted. "Controlled substances" means those substances in Schedules I through V of section 202 of the Controlled Substances Act, 21 U.S.C. 812, and implementing regulations, 21 CFR 1308.11-1308.15. Controlled substances include, but are not limited to, marijuana, cocaine (including "crack"), amphetamines, heroin, PCP, hallucinogens, and certain prescription drugs. Illegal uses of alcohol include, but are not limited to, serving, buying, or drinking alcohol by a minor; assisting a minor or an intoxicated person to get alcohol; selling alcohol without a license and driving while under the influence. This policy is not intended to supersede or negate any existing policies on substance abuse, student or employee discipline, or any additional requirements imposed on The University of New Mexico or its students, faculty or staff by federal or state law.

I. Policy Statement

The unlawful manufacture, distribution, dispensing, possession or use of controlled substances or alcohol on UNM property or as part of any of its activities by any member of the UNM community faculty, staff or students strictly prohibited.

As a condition of continued registration and enrollment, any student of UNM shall abide by this policy. Violation of this policy shall result in disciplinary action, up to and including expulsion. For more detailed information, students should refer to the Student Code of Conduct and related policies printed in The UNM Pathfinder (http://pathfinder.unm.edu) and/or contact the Dean of Students Office.

UNM’s response to any violation of this policy may include, as a total or partial alternative to disciplinary action, a requirement that the employee or student participate satisfactorily in an approved substance abuse treatment or rehabilitation program as a condition of continued employment or registration/enrollment. Any employee engaged in the performance of work under a federal contract or grant is required, as a condition of employment, to notify his/her supervisor if he or she is convicted of a criminal drug statute violation occurring in the workplace within five days of such conviction. The supervisor shall notify the University Counsel’s Office. Failure of the employee to notify the supervisor shall be grounds for disciplinary action.

In recognition of the dangers of substance abuse in the workplace, UNM shall maintain alcohol and drug-free awareness programs to inform members of the University community about the issues and risks of substance abuse, and about counseling and treatment resources. The university shall assign responsibility for such awareness programs to specific administrative entities, which shall be provided sufficient resources to develop and maintain the programs. As a matter of policy, any referral, treatment, awareness or primary prevention programs established by the University shall play no role in enforcing or instituting possible disciplinary action.
II. Legal Sanctions for the Unlawful Possession or Distribution of Illicit Drugs and Alcohol

The penalties for even the most minor of violations of the Liquor Control Act can include fines of up to $300, confiscation of property and imprisonment for up to seven months. More serious violations carry greater penalties, with larger fines and longer imprisonment.

Driving, using machinery after drinking, or using drugs creates the risk that the user may injure or kill someone. This can result in homicide charges. License revocation and vehicle impoundment are also possible results of driving while under the influence of liquor or drugs. The minimum blood alcohol levels at which drivers' licenses are revoked in New Mexico are .02% for those under 21 and .08% for those 21 and over. All drivers in New Mexico are presumed to be intoxicated at the .08% level.

In drug-related cases, a court can permanently suspend eligibility for federal benefits, including financial aid. A criminal record can seriously hurt educational and career opportunities.

Penalties for illegal drug use can include significant fines and imprisonment. Penalties for the illegal sale of drugs are greater, and may include property confiscation. Alternative penalties for illegal drug or alcohol use may also include mandatory community service. Violation of laws by a foreign national may result in deportation.

As required by federal regulations, the following charts (figures 1 and 2) detail federal and state sanctions for the unlawful possession or distribution of illicit drugs.

III. Health Risks Associated with Use of Illicit Drugs and the Abuse of Alcohol.

Excessive alcohol consumption and abuse of illicit drugs can lead to certain types of cancer, pathological changes in the liver, brain, heart and muscle, which can lead to disability and death, addiction, birth defects, shortened life span, stomach ulcers, phlebitis, varicose veins, and other health problems. Alcohol and drugs are also a major factor in homicides, assaults, rapes, suicide, family and date violence. Alcohol is significantly involved in all types of accidents - motor vehicle, home, industrial, and recreational. Unintended pregnancies and sexually transmitted diseases are often associated with alcohol or other drug abuse, as well as relationship, academic or work problems.

For more information on the possible effects and health risks associated with the use of illicit drugs and alcohol, contact the Student Health Center Health Education Program at (505) 277-1074 or the UNM Campus Office of Substance Abuse Prevention at (505) 277-2795. Information on the possible effects and health risks associated with the use of illicit drugs and controlled substances is also contained in the Policy on Illegal Drugs and Alcohol that appears on page 53 of the 2007-2008 UNM Pathfinder.

SEX OFFENDER REGISTRATION

In accordance with the Campus Sex Crimes Prevention Act of 2000 (CSPA), the UNMPD is providing a link to the New Mexico Department of Public Safety for law enforcement agency information concerning registered sex offenders. The CSPA requires institutions of higher education to inform the campus community where law enforcement information about registered sex offenders may be obtained. It also mandates that sex offenders who are required to register in a State must also give notice of each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student. Additionally, the New Mexico Sex Offender Registration and Notification Act requires a convicted sex offender who is employed by, enrolled at, volunteering with or carrying on a vocation at an institution of higher education to register with the university’s law enforcement department, the university registrar, the county sheriff for the county in which the higher education institution is located as well as the county sheriff for the county in which the sex offender resides.

Registration at UNM is administered by the UNMPD (Hokona Hall, 2500 Campus Blvd NE) or the Registrar’s Office (Student Support & Services Center, 1155 University Blvd. SE). The registration form is available online at: https://police.unm.edu/default.aspx?menuitemid=191

A list of registered sex offenders is available online from the New Mexico Department of Public Safety at: http://www.nmsexoffender.dps.state.nm.us/ or by calling the Bernalillo County Sheriff’s Department at (505) 468-7100.

This information is designed to keep faculty, staff and students safe, here at UNM. Information about these ongoing no cost services is given out to new students at their incoming orientation. Employees (faculty and staff) of UNM must complete the Annual Basic Safety Training each year, via an on-line platform through Learning Central and receive safety information at new employee orientation. The following is a list of programs or themes that the UNM campus does for our entire UNM Community (Faculty, Staff and Students) to address:

**Active Bystander Intervention:**

A bystander is a person who observes a conflict or unacceptable behavior. The observed behavior may be serious or minor, one-time or repeated, but the bystander knows that the behavior is harmful or likely to make a situation worse. This person may be in a position to discourage, prevent or interrupt unacceptable behavior. The bystander has two options: to remain a passive bystander or become an active bystander. A passive bystander is one who observes but does not intervene in any way.

Steps to becoming an Active Bystander:

1. Notice a situation that is out of the ordinary. Does your "gut" tell you something is wrong?
2. Ask yourself if I could play a role here?
   a. If nobody intervenes, what will likely happen?
   b. Is someone else better equipped to respond?
   c. What would be my purpose of responding?
3. Assess your options for providing help. Use your words; do not use violence to end violence.
4. Determine the potential risk(s) of taking action
   a. Are there risks to myself and/or others?
   b. Is there a low-risk option?
   c. How could I reduce risks?

Reducing Your Risk at UNM

The UNM Community is encouraged to be responsible for their own security and to potentially assist with the security of others. Risk reduction choices assist to increase the empowerment of an individual so that they can be safe, lessen the potential to be a victim of a crime and promote the safety of others. The following is a list of suggestions that will help to reduce your risk on the UNM Campus:

- Walk with others at night or use the Campus Escort Service
- Should you bring a bike to campus, lock your bike with a U-Lock and take any easily removable items from your bike with you
- Do not leave your valuables unattended
- Do not open doors for strangers or invite strangers into our Residence Halls
- Do not prop open the door of your Residence Hall
- Should you bring a vehicle to campus, use some sort of theft deterrent device and do not leave items in plain sight of others who may be walking by your car
- Should you wear head-phones or ear-buds, please keep the volume low enough so that you can be aware of your surroundings
- Do not give your personal information to untrusted sources, either in person or on-line
- Always report suspicious activity to the UNM Campus Police by calling 505-277-2241

FIRE SAFETY REPORT

In accordance with the Higher Education Opportunity Act of 2008, UNM is providing mandatory fire safety information as part of this Annual Report. Detailed data for all on-campus student-housing facilities can be found in Table 4 at the end of this Annual Report.

UNM’s Safety & Risk Services Department maintains information on reports of fires and fire alarms in University-owned residential halls and Student Family Housing. All of the Greek fraternity and sorority houses are owned by their respective Greek organizations rather than UNM. The Student Activities Center collects information about fires occurring in Greek housing from the fraternities and sororities.

Fire Safety Policies and Rules (Residence Life)

Students who live in UNM residence halls and apartments are part of an academic community that has in place community standards to promote the well-being of all residents. The community standards include rules for fire safety, some of which are explained below. The complete Residence Hall Handbook can be found at:

https://housing.unm.edu/current-students/Residence%20Hall%20Handbook%202017.pdf

Smoking: Smoking is not permitted anywhere in the residence halls and apartments. UNM is a tobacco-free campus and smoking is prohibited in all University property except for a number of specifically designated outdoor areas.
Open flames: Open flames are prohibited in the residence halls and apartments. Students are not allowed to burn or possess candles, incense, kerosene lamps, lighter fluid, propane or charcoal in their rooms.

Cooking and electrical appliances: Residence hall and apartment students may bring and use in their rooms a microwave (800 watts or less), hot pot, coffee maker, rice cooker and hot air popcorn popper. Appliances with a visible heating element or which use hot oil (e.g. toasters, toaster ovens, George Forman grills) are prohibited. Possession of unauthorized cooking or heating appliances may result in disciplinary action, including imposition of a fine if use damages the room or apartment. Halogen lamps are prohibited in residence halls and apartments because they pose a fire hazard.

The Residence Life Handbook requires that all electrical appliances, cords and products be listed with National standards. The Guide also requires that all equipment be maintained in excellent working condition. Overloading electrical outlets is prohibited and only approved surge protective/circuit breakers are permitted.

Residents should report all fires or other emergencies to the 24-hour Student Resident Center Desk by telephone 505-277-9203. Residents may also report a fire directly to the fire department by calling 911. The Student Resident Center Desk is staffed on a 24-hour basis to respond to emergencies.

Residence hall/apartments conduct four fire drills each academic year (typically two per semester). When a fire alarm sounds in the event of a fire drill or an actual fire, residents must follow established building evacuation procedures as follows:

- All residents and guests are required to exit the building
- Close all room windows and open draperies
- Grab a blanket or towel to prevent smoke inhalation
- Leave room as quickly as possible and proceed to designated exit
- Leave ceiling lights in room on
- Lock your door and take your room key with you
- Don’t go out through emergency exits, unless it is truly an emergency or fire
- Once, you are outside of the building move at least 100 feet away from the building to your designated safe area and stay until a signal to return is given by a residence hall staff member
- Stay clear of fire lanes and hydrants
- Do not remove or alter electrical fixtures or hardware

UNM strives to educate residential students about fire safety. Resident Advisors (student staff who live in each residence hall and apartment complex) attend training provided by UNM’s Safety & Risk Services Department on responding to emergencies, including fires. The training includes how to evacuate the halls and use of the fire extinguishers located in residence halls and apartments. All students living in residence halls and apartments attend mandatory meetings each semester with their Resident Advisors to review fire safety materials and Resident Advisors discuss fire evacuation plans for their specific residence halls.

In 2012, UNM Safety & Risk Services began working with Residence Life to expand the type and amount of safety training for staff and Resident Advisors as well as housing maintenance. The training
includes an on-line training video and a “smoke house” session where RA’s are trained on how to react to a smoke-filled building. UNM Safety & Risk Services continues to provide building familiarization for the local fire department. This is an ongoing collaboration with the local fire department given building upgrades.

The Student Family Housing complex consists of 200 apartments located a three-minute drive south of the main campus. Student Family Housing is designed for UNM students with spouses, domestic partners or families. Student Family Housing has on site management staff and Community Resident Assistants who receive training in fire safety and evacuation procedures.

Normal small electrical appliances are approved for use in Student Family Housing. Electric heaters and air conditioners and other large electrical appliances are not permitted.

Student Family Housing prohibits the burning or possession of candles, incense, kerosene lamps, lighter fluid, propane or charcoal in apartments or under covered patios. Student Family Housing is also a smoke free environment so that residents and their visitors are not allowed to smoke in apartments, or on porches, patios, balconies, and adjacent areas. The complete Residence Hall Handbook can be found at: http://housing.unm.edu/student-family-housing/

Lobo Village and Casas del Rio are owned and managed by American Campus Community (ACC), in partnership with Residence Life & Student Housing. Table 4, shows 2016 Fire Statistics for UNM Student Residential Facilities, and includes information about Lobo Village and Casas del Rio. Students residing in either of these complexes can look to ACC’s lease and resident handbook for information on rules and policies about fire safety. Lobo Village permits smoking inside apartments and in designated outside areas. Casas del Rio does not permit smoking anywhere on property. Neither Lobo Village nor Casas del Rio permits smoking inside their respective clubhouse, office areas or amenities. The use of candles or other burning or smoking devices (including hookahs and shishas) are prohibited in both complexes. Residents with questions can contact the Lobo Village or Casas del Rio offices.

UNM’s Safety & Risk Services Department (SRS) continually evaluates the need for improvements in all aspects of the campus fire safety program. It is the intent of SRS to provide an environment that addresses the issues of fire and life safety for students, visitors, volunteers, faculty and staff. To that end, SRS plans to implement the following fire safety initiatives:

- Provide timely, consistent and effective inspections and testing of building Fire Alarm and Fire Suppression Systems by establishing procedures for conducting and documentation of the required inspections and testing in TMA
- Ensure that all UNM on/off campus buildings have current and accurate evacuation maps, by conducting onsite verification of building lay-out and fire system components, annually and after remodels that alter building layouts
- Update the New Employee Orientation SRS presentation on an ongoing basis to insure that new employees are aware of fire safety measures
- Provide fire safety information at Welcome Back Days
- Coordinate with first responder agencies in the vicinity of branch and satellite campuses to insure that fire safety issues are addressed
- Continue to submit the annual fire safety capital report to the Board of Regents
- Improve and streamline the collection and retention of data and statistics on fire-related incidents, to respond to Clery Act requirements
• Continue to assist with the loss prevention and control inspections by conducting inspections and submitting reports in a timely manner to the SRS Risk staff
• Continue to provide fire safety support to Special Events to include Gathering of Nations, Bull Riding, sporting events, commencement, etc.
• Provide fire extinguisher training to different stakeholders throughout campus
• Follow the requirements of the UNM-AFD MOU to insure coordination with the Albuquerque Fire Department
• Organize and implement fire drills for all buildings, including branch and satellite campuses, to insure that designated evacuation procedures are being followed, including: timely and complete evacuation, following the correct route to the designated muster point
• Closely monitor the fire safety vendors to insure that inspections and services are conducted in an appropriate, efficient and regularly scheduled basis
• Continually update the SRS website to insure that current fire safety information is available to the UNM community
• Actively review remodel and new construction plans to insure compliance with fire code.

GREEK HOUSING

UNM’s Greek community hosts 24 fraternity and sorority chapters. Of those 24 chapters, eight chapters own and manage chapter houses where members of the fraternity or sorority may reside. These Greek houses are within the UNM campus but they are neither owned nor managed by the University. Chapter houses are owned by the Greek organizations themselves. All of the fraternity and sorority chapters that own houses are affiliates of their respective national Greek organizations which set rules and policies governing chapter houses.

Chapter houses are required to be inspected annually by the Albuquerque Fire Department and must conduct one fire drill each semester. The UNM Student Activities Center collects reports of fires occurring in Greek housing. In 2016, no reported fires occurred in any fraternity or sorority chapter houses.

Information about fire safety in the eight fraternity and sorority chapter houses where UNM Greek students resided in 2016 can be found at the end of this report in Table 5.

SUPPORTIVE MEASURES

WHAT IS A SUPPORTIVE MEASURE?
If a person has been involved in sexual misconduct, they may need supportive measures to continue their education.

The University of New Mexico supports students affected by sexual harassment, gender-based discrimination, sexual misconduct, or sexual violence. Through the LoboRESPECT Advocacy Center, UNM can implement Academic and Administrative Measures, and through the Dean of Students UNM can implement Safety Measures designed to preserve the complainant’s educational experience, the safety of all parties and the broader University community, maintain the integrity of the investigative and/or resolution process, and deter retaliation. Depending on the situation, these Measures may be placed on an interim or permanent basis, and are available to all students. However, when implementing these Measures, the University will seek to minimize the burden on the victim and/or complainant, in compliance with Title IX guidelines.

ACADEMIC AND ADMINISTRATIVE MEASURES
Advocates with the LoboRespect Advocacy Center can assist a student in accessing the following Academic and Administrative Measures:

- Assistance in accessing counseling and health care resources both on and off campus
- Contacting faculty on behalf of the student to help coordinate Measures for coursework
- Working with faculty and/or Registrar to make changes to the class assignment or class schedule
- Working with the Student Financial Aid/Scholarship Office to provide documentation on behalf of the student to facilitate any appeals process in the event financial aid or scholarships are at risk
- On campus housing assistance such as: temporary or permanent changes to a room assignment, or other housing needs
- Communication with on-campus supervisors for student employment or work-study job
- Helping to create safety strategies

SAFETY MEASURES

Interim Bans
The Dean of Students Office has the authority, under the Student Grievance Procedure to issue an Interim Ban when they determine there is a reasonable basis to conclude that the continued presence of the student/chartered student group at the University presents a significant risk of substantial harm, on-going threat to others, the entire University community, and/or University property.

An Interim Ban varies by length of time, and/or location. A student may be banned from the entire University or specific portions.

No Contact Directives
No Contact Directives can also be put in place by the Dean of Students Office to preventing contact and communication between two or more persons directly affiliated with UNM.

HOW DO I REQUEST SUPPORTIVE MEASURES?
The best place to begin questions regarding Supportive Measures is with an Advocate at the LoboRespect Advocacy Center, the Women’s Resource Center, or the LBGTQ Resource Center. As confidential, anonymous reporting locations, the Advocates in these centers can help you explore all your rights and options without being required to report information to the UNM Title IX Coordinator.

WHERE SHOULD I GO IF I STILL HAVE QUESTIONS?
